To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Miscellaneous Construction Contract Program Quarterly Reports - Second Quarter FY 2011-12

Pursuant to Section 2-8.7.01(6) of the Code of Miami-Dade County Ordinances, which establishes the Miscellaneous Construction Contracts (MCC) Program, attached is the Second Quarterly Report for FY 2011-2012. The MCC Program consists of two plans:

- MCC 7040 is a pool that includes only Community Small Business Enterprise (CSBE) certified firms. All solicitations under this component are set aside for CSBE firms; and
- MCC 7360 is used for competitive solicitations when federal funding is involved, or when a 100 percent CSBE goal is not feasible due to the lack of availability of certified vendors in specific construction trades

A total of 152 awards valued at $11,042,494 were awarded under MCC 7040, and 36 awards valued at $18,132,333 were awarded under MCC 7360 during the second quarter of FY 2011-12. The chart below shows the totals for both the first and second quarters of FY 2011-12.
