

Memorandum

Date: August 22, 2012
To: Distribution List
From: Carlos A. Gimenez
Mayor 
Subject: Post-Disaster Redevelopment Plan Technical Advisory Committee Leadership

Pursuant to my Post-Disaster Redevelopment Plan (PDRP) memorandum dated February 6, 2012 you have been selected as a chair or co-chair of a PDRP Technical Advisory Committee (TAC). You were selected to serve in this position because you possess the subject matter expertise and institutional knowledge that will aid in the successful development of this vital plan.

It is critically important to this plan's success that you take your leadership role in the TAC earnestly. While supported by Office of Emergency Management (OEM) staff and our consultants, the topics, discussion and priorities in the TAC must be driven by you so the relevant policies, responsibilities, strategies and considerations can be captured. It is this information that will be used to guide the decisions that affect Miami-Dade's long-term recovery and redevelopment following a disaster.

If you have any questions please contact Paul Vitro, Emergency Management Planner at 305-468-5423.

Your cooperation in this county-wide initiative is greatly appreciated.
