Subject: Affordable Housing Stakeholders' Roundtable

This memorandum serves as notification and invitation to the upcoming affordable housing roundtable, co-hosted by the Affordable Housing Advisory Board (AHAB) and the Public Housing and Community Development Department (PHCD). The roundtable will take place on Friday, April 26, 2013, beginning 9:00 a.m., at the PHCD Boardroom at Robert King High Tower located at 1401 NW Street, Miami, Florida 33125.

Members of the AHAB are excited about the opportunity to meet with community stakeholders to discuss the important issue of affordable housing development - an issue that impacts the lives of so many individuals and families. This issue is of particular interest to AHAB because it is statutorily required by the State to address issues of affordable housing, including the identification and removal of barriers to the development of affordable housing. The goal of the roundtable is to initiate discussion about the ongoing development of affordable housing projects and celebrate the development of affordable housing units throughout Miami-Dade County over the past five years. Stakeholders will be encouraged to discuss the obstacles faced by developers in bringing these projects to fruition, and possible solutions to address those barriers.

If there are any questions, please contact Gregg Fortner at 786-469-4106.
