Subject: Miscellaneous Construction Contract (MCC) Program Quarterly Report – Second Quarter FY 2012-13

Pursuant to Section 2-8.7.01(6) of the County Code, which established the Miscellaneous Construction Contracts (MCC) Program, attached is the Second Quarter Report for FY 2012-2013. The MCC Program consists of two plans:

- MCC 7040 is a pool that includes only Community Small Business Enterprise (CSBE) certified firms. All solicitations under this component are set aside for CSBE firms; and
- MCC 7360 is used for competitive solicitations when federal funding is involved, or when a 100 percent CSBE goal is not feasible due to the lack of availability of certified vendors in specific construction trades

A total of 75 awards valued at $9,759,350 were awarded under MCC 7040, and 35 awards valued at $18,374,818 were awarded under MCC 7360 during the second quarter of FY 2012-13. The chart below shows the total for the first and second quarters of FY 2012-13.
