Subject: Miscellaneous Construction Contract (MCC) Program Quarterly Report – Third Quarter FY 2012-13

Pursuant to Section 2-8.7.01(6) of the County Code establishing the Miscellaneous Construction Contracts (MCC) Program, attached is the Third Quarterly Report for FY 2012-2013. The MCC Program consists of two plans:

- MCC 7040 is a pool that includes only Community Small Business Enterprise (CSBE) certified firms. All solicitations under this component are set aside for CSBE firms; and

- MCC 7360 is used for competitive solicitations when federal funding is involved, or when a 100 percent CSBE goal is not feasible due to the lack of availability of certified vendors in specific construction trades

A total of 91 awards valued at $10,323,283 were awarded under MCC 7040, and 21 awards valued at $16,565,600 were awarded under MCC 7360 during the third quarter of FY 2012-13. The chart below shows the total for the first, second, and third quarters of FY 2012-13.
