

Memorandum

Date: November 8, 2013
To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
From: Carlos A. Gimenez
County Mayor 
Subject: Updated Market Conditions for Item 3D on the November 12, 2013 Finance Committee Meeting Agenda– Legistar 132144

This memorandum updates the Attachment 1 number run for Item 3D (Legistar 132144) on the November 12, 2013 meeting agenda of the Finance Committee. More specifically, the item relates to the proposed Miami-Dade County, Florida Rickenbacker Causeway Revenue Bonds, Series 2013.

Resolution R-1313-09 requires that a preliminary number run attached to a proposed Series Resolution for a bond transaction be updated prior to the Board of County Commissioners' (Board's) committee meeting of jurisdiction and prior to the Board's general meeting.

For a proposed new money bond issuance, the number run must reflect the proposed debt structure, a projected debt service schedule with the current market interest rate, total annual debt service on any prior or equal lien bonds, and projected debt service coverage on the combined debt service of the proposed new money bonds with any corresponding prior or equal lien bonds. The number run should demonstrate that the proposed bond transaction remains within the parameters to be established with Board approval of a Series Resolution.

Number Run	Par Amount of Bonds to be Issued	True Interest Cost (TIC)	Average Annual Debt Service	Maximum Annual Debt Service (MADS)	Projected Debt Service Coverage Using MADS
Resolution Parameters	Not to exceed \$34,000,000	Not to exceed 6.5 percent	\$2,595,396	\$2,597,923	180 percent
Initial Run Attachment 1	\$32,320,000	5.23 percent	\$2,187,863	\$2,189,882	213 percent
Rerun Attachment 1	\$32,345,000	5.22 percent	\$2,192,505	\$2,195,142	213 percent

The initial run of Attachment 1 was based on interest rates one would have expected to receive on September 27, 2013 with a level debt service structure. The rerun of Attachment 1 (attached to this memorandum) is based on interest rates one would have expected to receive on November 6, 2013 with a level debt service structure. Based on the recent market conditions, this transaction continues to be economically feasible within recommended financing parameters to be authorized in the proposed series resolution. There are no other Causeway Revenue Bonds outstanding.

If you have any questions, please contact Deputy Mayor Edward Marquez at (305) 375-1451 or me directly.
