Subject: Bear Cut and West Bridges Dedication Event

Attached please find the invitation for the dedication event celebrating the completion of work on the Bear Cut and West Bridges of the Rickenbacker Causeway, as well as improvements to bicycle and pedestrian safety along the Causeway. The event will take place on Saturday, October 25, 2014, from 9 a.m. to 10 a.m. at Crandon Park Marina, 4000 Crandon Boulevard in Key Biscayne Florida.

The bridge rehabilitation project and the newly constructed bike and pedestrian pathways are important investments in this historic and scenic roadway. The bridges of the Rickenbacker Causeway connect mainland Miami-Dade County to a host of recreational and entertainment facilities, beautiful beaches and parks, tourist attractions and the Village of Key Biscayne. Recently completed improvements will allow residents and tourists alike to safely enjoy this roadway whether driving, cycling or walking.

Attire for the event is casual, and you're encouraged to come ready to walk or cycle along the Causeway at the conclusion of the event. I look forward to seeing you there.

For more information on the event and/or to RSVP your attendance, please contact Ms. Gayle R. Love, Division Director for Public Information and Outreach, at 305-514-6607 or loveg@miamidade.gov.
