

Memorandum

Date: April 9, 2015
To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor
Subject: 2015 *Every Drop Counts* Poster Contest Winners

The Board of County Commissioners (Board) approved Resolution No. R-89-09, which called for the development of an outreach plan to educate school children on the importance and the benefits of water conservation. As part of the outreach plan, the Miami-Dade Water and Sewer Department's Water-Use Efficiency Section, in collaboration with the Community Information and Outreach Department, developed the *Every Drop Counts* Water Conservation Poster Contest. The 2015 Contest yielded more than 1,400 entries from kindergarten through grade five school children, with submittals from all of the 13 Commission Districts. The 2015 District Winners are listed below. Each winner will be recognized at the May 19, 2015 Board meeting by the student's respective commissioner. Also, please join us after the ceremony for a brunch sponsored by Winn-Dixie on the terrace level of the Stephen P. Clark Center. The winning posters were on display in the Stephen P. Clark Center lobby during the month of April in recognition of Water Conservation Month.
