Subject: PHCD's Community Space Lease Agreements Reports for January-March 2015

The following report is in response to Resolution No. R-753-13 sponsored by Commissioner Bruno A. Barreiro, District 5, and approved by the Board on September 17, 2013. Specifically, the resolution directs the Public Housing and Community Development Department to provide a monthly report listing the following information:

- Name of the organization providing services and primary contact
- Type of services provided and status
- Commission District

Additionally, this report now includes the amount of space that the service providers have access to in the community center or a non-dwelling unit, and developments where there is available space.

If you have any questions, please contact Michael Liu, Director, Public Housing and Community Development, at 786-469-4106.
