To: Honorable Chairman Jean Monestime

From: Carlos A. Gimenez

Subject: Update on the Public Private Partnership Task Force – Resolution R-150-15

This memorandum serves as a follow-up reminder to all members of the Board County Commissioners (Board) that Resolution R-150-15, which was adopted by the Board on February 2, 2015, calls for the creation of the Public Private Partnership Task Force (Task Force) and for individual Commissioners to submit up to three (3) names for consideration to serve on the Task Force.

To date, the Clerk of the Board has only received a total of nine (9) names. Additionally, five (5) members of the Board have yet to submit a name to the Clerk of the Board and three (3) of the six (6) desired areas of expertise are missing a nominee. At this time, I respectfully request that each Commissioner nominate at least one (1) individual for consideration.

If you have any questions or concerns, please feel free to contact Deputy Mayor Edward Marquez at 305-375-1451, or me directly.
