Subject: Opening of the Hitachi Rail Center

I am pleased to announce the opening of the Hitachi Rail Center, owned by Hitachi Rail USA, Inc., the American subsidiary of Hitachi Rail Italy.

This brand new 140,000 sq. ft. production facility is where our new Metrorail fleet of 136 rail cars will be produced locally, contributing to Miami-Dade County's economic development.

Attached is an invitation to the facility's ribbon-cutting ceremony which will be taking place at the Hitachi Rail Center located at 11150 NW 122 Street on Wednesday, March 16, 2016, at 12:00 pm.

I hope you will be able to join us in celebrating this significant step to modernizing our Metrorail fleet.
