

## Get Involved

Miami-Dade County is one of the most beautiful destinations in the world. Through cleaning and greening efforts, Neat Streets Miami strives to create vibrant and welcoming transportation gateways, corridors and connections that reflect our community's world-class image.

Neat Streets Miami is a multijurisdictional board dedicated to creating beautiful gateways, corridors and connections. Neat Streets Miami's

impact can be seen in efforts such as:

- Educational programs
- Tree plantings
- Roadway landscape projects
- Street tree and aesthetics planning
- Metrorail station landscape enhancements

“Everyday, we’re leveraging opportunities to create attractive gateways and enhance the quality of life for our residents, employees and visitors.”
