

Miami-Dade County Office of the Property Appraiser Visiting an Area Near You

The 2019 Notice of Proposed Property Taxes (TRIM Notice) is now available. The notice includes the property values established by the Office of the Property Appraiser and the tax rates proposed by the taxing authorities.

We will be hosting several outreach events throughout Miami-Dade County where you will be able to meet one-on-one with our staff to help address any concerns you may have with your property's value or exemption(s). The events are not mandatory, but property owners with questions regarding their TRIM Notice are encouraged to attend.
