COURTESY NOTICE RELATING TO SECTION 33-11 OF THE CODE OF MIAMI-DADE COUNTY

JOB ADDRESS: _____

It is understood that fences and walls that obstruct vision may not exceed 2 ½ feet in height when located either within 10 feet of the edge of any driveway leading to a public right-of-way, or within the “Safe Sight Distance Triangle” as defined in Section 33-11 (c) of the Code of Miami-Dade County. I certify that this fence will not be located within the rights-of-way indicated in Section 33-133 of the Code of Miami-Dade County. I am aware that Section 33-11 (b) requires that the finished side of the fence shall be facing the neighboring property or street (outward). I am aware that both sides of a wall must be finished with stucco and paint. If I am proposing a wall that will share the property line, I am aware that I need to submit a letter of approval from the adjacent property owner. I further acknowledge that the issuance of this permit shall not be constructed as permission to violate any provisions of Miami-Dade County Ordinances.

For those fences that are encroaching the utility easement, the undersigned, as the owner of the above job address, hereby absolves Miami-Dade County of any and all legal responsibilities for any claim, loss, damage or expense which may arise as a result of the placement of the fence u\in the utility easement area. Furthermore, the undersigned owner has contracted the Sunshine Network at 1-(800) 432-4770 and received their consent via Ticket # _____ issued on _____. *Note that a minimum of four working days after last call for field check is required before returning to the Department of Regulatory and Economic Resources for final approval.

Additionally, an As-Built survey may be required by the department at the owner’s expense, if there is a concern that the fence or wall encroaches on neighboring properties, easements or public rights-of-way.

Please be advised, if violations are found to exist that law provides that tickets shall be issued resulting in penalties of up to \$500.00 per day (Chapter 8CC of the Code of Miami-Dade County).
