- _____

Section II

I, the undersigned, hereby attest that I am aware of the following:

- 1 Pursuant to 40 CFR 61, subpart M, section 145(a), for renovation activities an asbestos survey at the above referenced property is required prior to the disturbance of suspect asbestos containing materials (ACM) over the regulated thresholds (160 square feet, 260 linear feet, or 35 cubic feet).
- 2 Pursuant to 40 CFR 61, subpart M, section 145(a)(4) , all regulated asbestos containing materials (RACM) must be removed prior to any renovation activity that may impact the RACM at the above referenced property.
- 3 Pursuant to 40 CFR 61, subpart M, section 145(a), a written notification must be submitted to DERM at least 10 working days (14 calendar days) prior to asbestos abatement activity at the above referenced property.

Additionally, I authorize Miami-Dade County officials to inspect the premises. I am also aware that violations of the above referenced regulations may result in civil or criminal prosecution or both and penalties and fines of up to \$25,000 per day per violation.

Name in Print^{*1}
☐ Property Owner ☐ Lessee ☐ Authorized representative with
notarized authorization letter

Title of Signee

Signature

Telephone Number

^{*1} A separate letter of authorization shall be attached to the affidavit form if the individual signing is not a registered officer of the corporate entity of the property owner or lessee. This requirement is not applicable if the property owner or lessee is a sole proprietor provided that the sole proprietor is the individual signing the form.

The foregoing instrument was acknowledged before me this _____
day of _____; 20_____
by _____
who has produced, as identification and who did (did not) take an oath.

Notary Seal

**THIS IS NOT A NESHAP NOTIFICATION—A SEPARATE NOTIFICATION MUST BE
SUBMITTED PRIOR TO REGULATED ABATEMENT WORK**

See Reverse Side for Additional Information

USE OF LICENSED ASBESTOS PROFESSIONALS

Per Florida Statutes 469.001-015:

- (1) no person may conduct an asbestos survey, develop an operation and maintenance plan, or monitor and evaluate asbestos abatement unless trained and licensed as an asbestos consultant as required by this chapter.
- (2) No person may prepare asbestos abatement specifications unless trained and licensed as an asbestos consultant as required by this chapter.
- (3) No person may conduct asbestos abatement work unless licensed by the department under this chapter as an asbestos contractor, except as otherwise provided in this chapter.

Notifications

Each owner or operator of an abatement activity to which this section applies shall Provide the Administrator with written notice of intention.
