

**MIAMI-DADE COUNTY  
DEPARTMENT OF REGULATORY AND ECONOMIC RESOURCES**

**ATTENTION BURGLAR ALARM PERMIT APPLICANTS  
BURGLAR ALARM CERTIFICATION PROGRAM AVAILABLE FOR  
INSPECTIONS RELATING TO INSTALLATION OF SYSTEMS IN EXISTING  
RESIDENTIAL UNITS**

The inspection requirements of permits obtained for the installation of burglar alarm systems in existing residential units (single family residence, townhouse, duplex apartment, or condominium) may be satisfied by providing an inspection affidavit and verification form prepared by a private provider registered with the department. For a list of registered providers please visit our website at <http://www.miamidade.gov/development/plans/private-providers.asp> or contact the Board Administration Division at (786) 315-2509

This is an optional program in lieu of the inspection services provided by the department and the property owner must sign the Burglar Alarm Certification Program Inspection Affidavit and Verification Form consenting to the inspection by a private provider and acknowledging that they may need to allow the Building Official to perform a quality assurance inspection. The form may be obtained by visiting our website at <http://www.miamidade.gov/development/library/forms/burglar-alarm-certification.pdf>

Burglar alarm contractors who participate in this program must obtain the required permit through the department's e-permitting system or in person prior to performing any work. Once the work has been completed and an approved inspection obtained from the private provider the completed Burglar Alarm Certification Program Inspection Affidavit and Verification Form must be submitted to the Electrical Inspection Section Supervisor or Electrical Division Director in order for the permit to be finalized.

The form may be submitted in person, by mail or e-mail to Stuart Bazerman Electrical Division Director [BHS@miamidade.gov](mailto:BHS@miamidade.gov) or Amado Diaz, Electrical Inspection Supervisor at [AMADO@miamidade.gov](mailto:AMADO@miamidade.gov) .

Thank you.
