Early Identification System

The law enforcement profession requires a level of excellence which needs to be constantly monitored and reinforced in order to ensure the ongoing maintenance of high standards.

The Department has the responsibility to identify and assist employees that show symptoms of job stress and/or performance problems. For this purpose, the "Employee Profile" and "Early Identification System" were developed.

The Department maintains an Employee Profile for each employee. The profile contains a synopsis of every commendation, complaint, and use of force received. These profiles are reviewed by supervisors on a regular basis.

The Early Identification System was established to provide a systematic review of officers identified as having received two or more complaints and/or having been involved in three or more Use of Force incidents during a three-month period. The information is provided to the appropriate supervisors for review and corrective action if necessary.

Should you have a complaint against an employee of the Miami-Dade Police Department or would like to commend an employee, please contact the Professional Compliance Bureau at (305) 627-7100. For assistance during evening or weekend hours, your complaint or commendation will be accepted at any departmental facility.

agencies in the nation. We are proud of the high quality of service we provide to the citizens of Miami-Dade County. To maintain this well deserved reputation, we must constantly strive for excellence.

It is essential that all allegations of police misconduct are thoroughly and objectively investigated to assure the public that official police misconduct will not be tolerated and, at the same time, provide a process whereby officers unjustly accused can be vindicated. The responsibility and authority for these investigations within the Miami-Dade Police Department are vested within the Professional Compliance Bureau, Internal Affairs Section.

Complaints

The Internal Affairs Section's major function is the receiving, processing, and investigation of complaints made against members of the Department. To ensure the public's trust and maintain the Department's integrity, the Bureau conducts immediate, objective, and thorough investigations of all complaints.
