

FORM I – CLARIFICATION REQUEST FORM

Clarification / Question No.	Date Question Submitted	RFQ Section	Question	Respondent (Team Name)
1	02/22/18	4.3	On February 21, 2018, the Board of County Commissioners for Miami-Dade County opted to proceed on a dual track basis in which it advances with procurement of the project in accordance with (a) the unsolicited proposal from New Flagler Courthouse Development Partners LLC while (b) also continuing the competitive procurement currently underway, for which a Statement of Qualifications is currently due April 2, 2018. For participants in the competitive process, who can be expected to expend significant effort and financial resources in preparing their SOQ responses, the prospect that the project may not advance on that basis could potentially diminish interest in the project. Accordingly, we request that the due date for the Statement of Qualifications be extended until at least one month following the County’s ultimate decision to definitively reject the unsolicited proposal and advance with the competitive process. An early response to this concern would be appreciated.	Plaza Construction/AECOM/Sacyr Construction
