Project No. 20120032 PTP ROADWAY IMPROVEMENTS
SW 27th Avenue from Tigertail Avenue to SW 28th Terrace
ROADWAY CONSTRUCTION

Project Description:

The project is located on SW 27th Avenue from Tigertail Avenue to SW 28th Terrace, within Miami-Dade County Commission District 7. Work includes, but is not limited to, reconstructing the existing two lane road with raised landscape medians, on-street parking, bike lane, sidewalks, curb and gutter, storm drainage system, signalization, traffic calming circle, pavement markings and signage, decorative lighting and demolition of an encroaching building into the right-of-way.

The work of this project also includes, but is not limited to, furnishing and installing ductile iron water mains along SW 27th Avenue between Tiger Tail Avenue and Coconut Avenue in the City of Miami. This work includes furnishing and installing all ductile iron pipe and fittings; furnishing and installing gate valves complete with riser pipe and valve box; furnishing and installing fire hydrant assemblies, single short and long service connections; making connections to existing water mains; furnishing and installing air release valves and flushing water valves; cleaning, testing and disinfecting the mains; and all other appurtenant and miscellaneous items and work for a complete and fully functional installation.

Construction Schedule:

Construction began in December 2013 and is anticipated to be completed in June 2015.*

**The Construction Schedule above is weather permitting.*

Temporary Roadway Closure Schedule:

The roadway closure of Tigertail Avenue is scheduled to begin **Monday, March 17, 2014**. Construction will consist of the installation of drainage infrastructures across Tigertail Avenue and connection to an existing drainage structure approximately one hundred and fifty feet (150') south of Tigertail Avenue along the west right-of-way. The duration of this closure is anticipated to be approximately 130 days. Access for "Local Traffic Only" along the closed segment of Tigertail Avenue will be provided. Your patience and understanding during these improvements is requested and appreciated.

Construction closure date: March 17, 2014 to July 24, 2014.

Methodology and Efforts:

All efforts are being made to minimize the impact from the construction activities to area residents, schools, businesses and motorists. The area will be restored to its original condition immediately upon completion.
