

Improvements to the Miami Avenue Bridge Over the Miami River

PROJECT NO. 20130144

Road closures associated with the construction will continue through early December 2015 (weather permitting). Construction will continue to take place Monday through Friday, between the hours of 7 a.m. and 6 p.m. The contractor may conduct some construction activities on weekends and at night with prior approval from the County.

During construction, motorists and pedestrians should observe the traffic signs and follow the Maintenance of Traffic (MOT) plan for the bridge. To view the MOT, visit the Public Works and Waste Management Department website at www.miamidade.gov/publicworks.

**Improvements to the Miami Avenue
Bridge Over the Miami River**
PROJECT NO. 20130144

UPDATED SCHEDULE
(As of March 2015)
.....
As a result of conditions discovered during construction,
rehabilitation work on the bridge has been extended.
The new construction timeframe will allow for additional
repairs that will extend the life of and improve conditions
on the bridge. See the reverse for additional details.
