

Here comes

Starting Tuesday evening, September 23, 2014, all tolls on the Rickenbacker and Venetian Causeways will be collected electronically. **Cash and C-Pass transponders will no longer be accepted.**

Important Reminders for Venetian and Rickenbacker Causeway Annual Plan Customers:

- ⚙ Before the evening of September 23, continue to use your C-Pass.
- ⚙ If you do not already have a SunPass, please get one. Transponders are available at Publix Super Markets, CVS Pharmacy, AAA, Navarro, Sedano's, Walgreens, Amscot, Florida Turnpike Service Plazas, and online at SunPass.com or by calling 1-888-TOLL-FLA (1-888-865-5352).
- ⚙ Make sure your SunPass account is activated and up to date.
- ⚙ Rickenbacker customers -- If you haven't already done so, renew your annual plan at the Rickenbacker Customer Service Center at 4299 Rickenbacker Causeway.
- ⚙ Provide the Causeways Division with your 12 or 13 digit SunPass transponder number.

Taking these simple but important steps will help to ensure that you do not incur TOLL-BY-PLATE charges.

If you have already activated your SunPass transponder and provided the transponder information to the Causeways Division, please disregard this notice. Thank you for helping us to make this transition to electronic toll collection.
