

## **FACT SHEET**

### **Upcoming Channel Closure**

**Miami-Dade County  
Department of Transportation and Public Works  
Project No. 20140081  
Tamiami Canal Bridge Replacement  
NW South River Drive  
from NW 19<sup>th</sup> Terrace to NW 32<sup>nd</sup> Avenue**

---

#### **Channel Closure Description:**

As a part of replacing the Historic Swing Bridge previously crossing the Tamiami Canal at NW South River Drive, the contractor (Archer Western) will be closing the Tamiami Canal in order to complete the work associated with the new concrete deck and barrier walls. This planned channel closure has been coordinated with the U.S. Coast Guard.

#### **Channel Closure Schedule:**

Tamiami Canal will be closed to all marine traffic during the following period:

**April 10, 2018 through May 1, 2018: Full closure**

#### **Methodology and Efforts:**

All efforts are being made to minimize the impact of the construction activities to area residents and boat traffic while maintaining the safety of the general public and everyone involved.

**If you have any questions or require additional information, please contact the Department of Transportation and Public Works, Construction Division, at 305-375-2111.**
