# Memorandum

**Date:** September 7, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

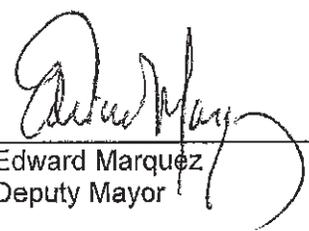

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Fiscal Impact Statement for Ordinance Relating to the West Perrine Community  
Redevelopment and the Revitalization Trust Fund

The proposed ordinance amending section 2-2008 of the Code of Miami-Dade County relating to the West Perrine Community Redevelopment Agency (Agency) and the Revitalization Trust Fund's sunset provision will extend the life of the Agency until September 30, 2046. The Agency's primary revenue source will be generated through the incremental growth of ad valorem revenues beyond an established base year, Tax Increment Financing (TIF), as defined in Section 163.387 of the Florida Statutes. Based on conservative estimates using the County's five year growth rates and a contribution of 95 percent of the increment, it is projected that the thirty (30) year extension will generate a total of \$72.9 million, \$51.6 million from countywide and \$21.3 million from the Unincorporated Municipal Service Area (UMSA). Therefore, implementation of this ordinance will have a negative fiscal impact to the countywide and UMSA general fund.

### Trust Fund Projected Revenue

FY 2017-18 Through FY 2046-47			
	Countywide Increment	UMSA Increment	Total Increment
Nominal Value	\$51,551,363	\$21,300,327	\$72,851,690
Net Present Value	\$20,541,365	\$8,487,414	\$29,028,779

**Subject:** Social Equity Statement for Ordinance Relating to the West Perrine Community  
Redevelopment and the Revitalization Trust Fund

---

The proposed ordinance amending section 2-2008 of the Code of Miami-Dade County relating to the West Perrine Community Redevelopment Agency (Agency) and the Revitalization Trust Fund's (Fund) sunset provision will extend the life of the Agency until September 30, 2046.

The County will be required to continue to deposit countywide and Unincorporated Municipal Service Area (UMSA) Tax Increment Financing (TIF) fund into the Fund. The TIF will be used by the Agency to fund projects and programs detailed in the Agency's Redevelopment Plan and allowable under State statute. Some of the projects that can be funded include roadway improvements, park improvements, assist in the development of housing stock that will include a mix of affordable and workforce, assist in the development of Transit Oriented Developments along the South Miami-Dade Busway to include mixed-use projects and work with the commercial land owners to attract large business that will increase the employment opportunities in the area. The improvements and projects funded by the Agency will have a direct impact on the residents on the redevelopment area by increasing the opportunities for housing and jobs.
