In response to the Coronavirus (COVID-19) pandemic, small business owners in all U.S. states are eligible to apply for an Economic Injury Disaster Loan advance of up to \$10,000. This advance will provide economic relief to businesses that are currently experiencing a temporary loss of revenue. Funds will be made available following a successful application. This loan advance will not have to be repaid.

[Paycheck Protection Program \(NEW\)](#)

Paycheck Protection Program is a loan designed to provide a direct incentive for small businesses to keep their workers on the payroll. The loan will be fully forgiven if the funds are used for payroll costs, interest on mortgages, rent, and utilities (due to likely high subscription, at least 75% of the forgiven amount must have been used for payroll). No collateral or personal guarantees are required. Neither the government nor lenders will charge small businesses any fees.

****Apply as soon as possible.** This loan is available through the bank that you already have a business account relationship.
