Reasons for Recommendation

SMALL BUSINESS ENTERPRISE - ARCHITECTURAL & ENGINEERING (SBE-A&E)

An analysis of the factors contained in the project package, as well as the factors contained in Section V. B. 2. B. of Implementing Order 3-32 and the responses of certified SBE-A&E firms to the Verification of Availability to Propose process indicates that 100% Tier 3 Set-Aside w/Exemption is appropriate for this contract. The exempted Technical Category (TC) is 3.12 – Underwater Engineering Inspection, due to the lack of available certified firms.
