

Memorandum

Date: March 30, 2017

To: Gary Hartfield, Division Director
Small Business Development

From:  Juan Kuryla, Port Director
PortMiami

Subject: Recommendation for 7360 Miscellaneous Construction Contract Services for North Bulkhead Repairs Phase III, Contract / Project No. 2010-037.03

PortMiami respectfully requests that the Division of Small Business Development (SBD) evaluate Project No. 2010-037.03 – North Bulkhead Repairs Phase III, to assign Small Business Enterprise – Construction (SBE-CON) and Community Workforce Program (CWP) measures.

The project consists of underwater repairs to multiple perforations at sheet pile bulkheads in the area of Dock Marker No. 42 along North Cruise Berths 1 through 6.

The project is comprised of, but not limited to:

- Detailed underwater measurements at each location for the fabrication of steel repair plates
- Grout ports along with weep holes (where applicable)
- Cleaning and preparation of existing sheet piling
- Pre-Construction video of preparation work
- Steel plate welding
- Placement of grout
- Post construction video

The construction cost estimate for the project is \$321,191.00, which includes 10% contingency.

The SBE-CON goal recommendation is 0.00%, and the CWP goal recommendation is 10.00%.

We appreciate your assistance, in order to proceed with the advertisement and subsequent bidding of the project. Should you have any questions, please feel free to contact Mrs. Gyselle Pino, Chief of Contracts, Procurement & Materials Management at (305) 347-4833.
