Subject: Recommendation for 7360 Miscellaneous Construction Contract Services for Cargo Gates Modifications and Traffic Improvements (Phases 2 - 5) / Project No. 2011-045.05

PortMiami respectfully requests that the Division of Small Business Development (SBD) evaluate Project No. 2011-045.05 - Cargo Gates Modifications and Traffic Improvements (Phases 2 - 5), to assign Small Business Enterprise (SBE) and Community Workforce Program measures in order to proceed with the advertisement and subsequent bidding of the solicitation.

Cargo Gates Modifications and Traffic Improvements (Phases 2 - 5): This project is for the construction of cargo gates modifications and traffic improvements. The scope of work consists of, but is not limited to: providing all labor, tools, materials, equipment, and incidentals necessary for improvements to the existing pre-arrival main gate complex; improvements to the existing POMTOC gate complex, cargo traffic circle, and roadways (including milling and resurfacing, pavement markings, and new signage); and any supportive ancillary tasks to the primary scope of services to successfully complete the project.

The construction cost estimate for the project is \$2,425,140.30, which includes a 10% contingency.

The SBE goal recommendation for all three (3) measures is 0.00%, due to this project being funded by the United States Department of Transportation - Nationally Significant Freight and Highway Projects (INFRA Grants) for Fiscal Years 2017 and 2018, 82 Fed. Reg. 31, 135 Docket No. DOT-OST-2017-0090 and the Florida Department of Transportation (FDOT) Financial Project No. 44061619401 (Grant No. G0R66) for PortMiami Upland Cargo Improvements.

We appreciate your assistance, in order to proceed with the advertisement and subsequent bidding of the project. Should you have any questions, please feel free to contact Mrs. Gyselle Pino, Chief of Contracts, Procurement & Materials Management at (305) 347-4833.
