RECOMMENDATION

PWWM Capital Improvements recommends an 8.6% Disadvantaged Business Enterprise (DBE) participation goal pursuant to the DBE requirements of 49 CFR Part 26, as amended. Furthermore, it is a requirement of the JPA that PWWM utilize DBE firms to comply with the current State DBE goal. The total estimated cost for the Project is \$430,440.00. The Community Workforce Program (CWP) is not applicable to this project.

BACKGROUND

PWWM is preparing three (3) solicitation documents on behalf of MDT to perform the work described below, and as established in the Subject JPA (attached for reference).

SCOPE OF WORK

Work under this Contract includes the furnishing of all supervision, labor, materials, tools, and equipment, and performing all operations required to construct the Project in accordance with the Contract Documents, including the construction of pedestrian accessibility improvements along bus stops within a quarter mile of selected bus stops. Work includes construction of new sidewalks, sidewalk connectors, driveway approaches, curb ramps, and curbs and gutters; the reconstruction or repairs of existing sidewalks, driveway approaches, curb ramps, or curbs and gutters; the removal and disposal of existing pavement, existing trees, tree roots, or debris; grading, preparation of subgrade, and sodding; and the adjustment of existing utility valve covers to new finished grade. Any combination of the work described herein may be required to be performed at any given site pursuant to the requirements of the Work Order governing the site. Contractor must provide as-built drawings at the end of each work order.
