Contract Measures Recommendation

Measure	Program	Goal Percent
Aspirational Goal	DBE	10.65%

Reasons for Recommendation

SMALL BUSINESS ENTERPRISE - CONSTRUCTION (SBE-Con)

SBD reviewed this project pursuant to Implementing Order 3-22 for SBE-Con measure. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. These indicate a SBE-Con No Measure is appropriate for this contract due to the funding source (Federal Funds).

This project has been established in preparation for the current hurricane season. The proposed aspirational Disadvantaged Business Enterprise (DBE) goal of 10.65% assigned by Miami Dade's Department of Transportation and Public Works (DTPW) may change at the time of the award. Contracts will be activated pursuant to Mayor's, Governor's or President Declaration of Emergency. The Base Cost Estimate of construction including contingency will be determined once the disaster event had occurred.

Davis-Bacon Highway wages apply to this project.
