Date:	1/13/2016		

PROJECT NUMBER:	ITB 16-13814-JE
PROJECT TITLE:	JMH Central 2nd Floor Auditorium Modernization Project
PROJECT LOCATION:	1500 NW 12 Ave, Miami FI 33136

SCOPE OF WORK/DESCRIPTION: The project is for the JMH Central 2nd Floor Auditorium Modernization. The project consists of interior renovations of the auditorium that includes the auditorium space, entrance vestibule, office access corridor and media room (approximately 1767 square feet) to be utilized by the physician educators, graduate medical students, and a suitable alternative meeting space for the JMH Executive Leadership (EMLT). The project includes significant amount of mechanical, electrical, interior finishes/specialties, and acoustical specialty work for the auditorium.

SPECIAL REQUIREMENTS: Bidders (General Contractor) must hold a current, active Certificate of Competency and/or license from the State of Florida as either a RGC or CGC (Registered or State Certified General Contractor). The Bidder must have successfully completed a minimum of one (1) similar project (Auditorium) of similar scope and size for a healthcare facility within the last five (5) years. Bidders must also have knowledge, experience, and familiarity with current codes and requirements of authorities having jurisdiction, Agency for Health Care Administration (AHCA), Infection Control Risk Assessment (ICRA), Miami-Dade County Permitting Agencies, and City of Miami Building Department.

The Bidder must also provide evidence that they have completed two (2) projects in the past five (5) years that required knowledge and experience of Class III Infection Control Precautions (ICRA) or higher or provide a subcontracting plan with companies that have such ICRA experience.

Mechanical and Electrical sub-contractors must hold a current, active, Certificate of Competency with Miami-Dade County and/or current, active, applicable license from the State of Florida in order to complete the scope of work. Fire Alarm work to be perform by Simplex Grinnell & the Low Voltage Data to be perform by ASE Telecom & Data, Inc.
