No Measure	SBE - Services	

Reasons for Recommendation
<p>SMALL BUSINESS ENTERPRISE - CONSTRUCTION (SBE-Con). SBD reviewed this project pursuant to Implementing Order(s) 3-22 and 3-41 for SBE-Con and SBE-Goods & Services measures. Project information analyzed included the project's scope of services, minimum requirements/qualifications and funding source. This project involves highly specialized work in the open ocean requiring a Construction Dive Team Contractor with a minimum of three (3) consecutive years of experience (minimum of 4 divers) which includes a work site approximately 17,400 feet offshore at a depth of 43 feet. An attempt was made to assign this project a Set-Aside measure; however, no firms responded to the Verification of Availability to Bid as being able to meet the project's requirements. An analysis of the factors contained in Implementing Order 3-22 indicates a "No Measure" is appropriate due to insufficient availability. There are no sub-contracting opportunities for an SBE-Con Goal.</p> <p>Miami-Dade Construction Heavy Responsible Wage Rates apply to this project.</p> <p>SMALL BUSINESS ENTERPRISE – GOODS & SERVICES (SBE-G&S). An analysis of the factors contained in Implementing Order 3-41 indicates a No Measure is appropriate for this contract. Although this project was reviewed for the application of SBE-Goods & Services measures, no SBE-Goods & Services could apply.</p> <p>CWP Not Applicable: Project is located in the open ocean and not located in a Designated Target Area (DTA).</p> <p>NAICS 237990 Other Heavy and Civil Engineering Construction.</p>
