Project Criteria:

This project contains Federal Grant monies that require the following:

- Full and open competitive bidding
- No State or Local Government Geographical Preferences

An analysis of the CSBE Program Ordinance 97-52, amended and I.O 3-22 has been conducted and the Department suggests a SBE-Cons **No-Measure** due to the Federal requirements contained in the funding guidelines. The Department further suggests using the 7360 contract to be able to conform to Federal requirements.

Thank you in advance for your cooperation.
