Good Afternoon James and Luis,

SBD has completed its review of the subject project and proposes a CSBE Trade Set-Aside recommendation in the following:

Trade Set-Aside 1 - Traffic Stripes and Markings: Painted and/or Thermoplastic

Trade Set-Aside 2 - Concrete: Sidewalk and/or Curb and Gutter

The CWP percentage will be assigned based on each work order. As three (3) of the four (4) sites are within Designated Target Areas (DTAs) and have different unemployment rates, we would like for each work order to be presented to SBD for a determination as to the specific CWP percentage for each work order.

Please advise if you concur or dissent to the aforementioned recommendation by SBD.

James,

RPQ No 20120162 (formerly 20120106) was submitted for RC as "informational purposes only"; however, it was originally let for bid under the MCC 7040 Plan and it is now re-advertising under the MCC 7360 Plan.

Please proceed to prepare a complete project package to be submitted for RC Action so that SBD can expeditiously review the projects for measures and generate project worksheets.
