Subject: Tamiami Park Sport Courts Renovations for Pickleball
Project# 999999-21-023; RPQ #2022MPB1

We respectfully request that you consider our recommendation to convert the subject project to an MCC 7360 in order to receive a more competitive bid since there is currently only one licensed contractor for this type of work.

General Description of Work:

CONTRACTOR shall review all documents, specifications, plans and scope of work provided by Miami-Dade County Parks, Recreation, and Open Spaces Department for Tamiami Park Sport Courts Renovations for Pickleball. Contractor understands and accepts that this scope of work entails the resurfacing and repairing of the roller hockey rink court. This will consist of identifying the Roller Hockey Rink at **Tamiami Park** to be converted to 6 PickleBall Courts at the park. This court resurfacing will be initiated with deep full-scale repairs of the court structure. The Contractor shall adhere to the manufacturers' requirements and installation guidelines; Resurfacing and Repairs will include but is not limited to any and all cracks must be thoroughly dried to provide a successful bond between the new material and surface. The contractor dries each crack carefully before filling it. After the crack is filled and sealed, the contractor must make the surface smooth; The contractor must ensure the court is painted with a multi-layer paint system to seal the voids and protect the surface from damage. With this done, the contractor must apply the striping of the pickleball courts.
