**Subject:** Request for SBD Placement on Review Committee  
MDT 7360 Miscellaneous Construction Plan - Metromover Public Address System  
Replacement RPQ No. 299527

---

It is recommended that Internal Services / Small Business Development (SBD) place the Miami-Dade Transit (MDT) referenced project on the agenda for the next Review Committee (RC) meeting.

MDT's Office of Civil Rights, Disadvantaged Business Enterprises (DBE) program, has recommended a 10% DBE project goal, and has provided the applicable DBE requirements based on scope of services and project workload. No SBD measures or Community Work-Force program requirements are recommended because this project is 100% federally or State funded and will be advertised under the terms and conditions of the 7360 Miscellaneous Construction Plan. As such, MDT is requesting to proceed with bid advertisement.

#### Scope of Work:

This project consists of replacing or improving the Public Address Systems on all the Metro Rail and Metro Mover Systems. An Message LED Signage will be add to variable Metro Rail and Metro Mover Station Platforms and existing programmable Logic Controllers(PLC) in Metro Mover Stations will be replace.

Budget Estimate: \$4,990,000

Funding Source: Federal Transit Administration (FTA)
