Questionnaire

MCC 7360 Flooring Contractor

The Miami Dade Aviation Department is requesting your response to this e-mail to confirm if your company can or cannot participate in the upcoming terrazzo installation & maintenance, and floor leveling bid under the following requirements:

Contractor Qualifications Questionnaire:

This questionnaire will assist the Miami-Dade Aviation Department to identify the MCC 7360 qualified contractors that "comply" to perform Terrazzo replacement and repairs floor leveling and grinding in the MIA terminal building and concourses. Indicate yes "Y" or no "N" on the empty box in the left side of this questionnaire and forward it completely filled out attached with the bid package.

- Y or N - Installation must be performed by a terrazzo manufacturer certified contractor (specialty trade Contractor) and must be individually certified by the terrazzo manufacturer.
- Y or N - All your company terrazzo installers (applicators) performing the work at MIA must be individually certified by manufacturer. (Proof of certification is required).
- Y or N - All Bidders must have five (5) years verifiable experience installing cementitious and epoxy terrazzo and pre-fabricated Epoxy terrazzo flooring systems. (Answer yes "Y" if you qualify and you have 5 years verifiable experience performing the 3 types of terrazzo flooring).
- Y or N - Contractor must provide proof of at least three (3) projects of similar size (\$50,000 or more), scope and complexity, satisfactorily completed. Include: project location, date of and length of the contract, contact names, addresses, phone numbers, and Owners information. (Answer yes "Y" if you can provide 3 verifiable projects).
- Y or N - Provide a list of all terrazzo products you are certified to install. (Answer yes "Y" if you have terrazzo certification from terrazzo manufacturer(s))

I certify that to the best of my knowledge all the information provided is verifiable and correct.
