Under these circumstances, a County representative will contact the primary vendor to obtain a price quote for the similar items. The County reserves the right to award these similar items to the primary contract vendor, another contract vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

2.26 MANNER OF PERFORMANCE:

The bidder(s) shall provide the County with products or services described herein in a competent and professional manner satisfactory to the County in accordance with the terms and conditions of this Agreement. The County shall be entitled to a satisfactory performance of all products or services described herein and to full and prompt cooperation by the bidder(s) in all aspects of the products or services.

The bidder(s) agrees that at all times it will employ, maintain and assign to the performance of the products
or services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The bidder(s) agrees to adjust its personnel staffing levels or to replace any its personnel if so directed upon reasonable request from the County, should the County make a determination, in its sole discretion that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.

The bidder(s) warrants and represents that its personnel have the proper skill, training, background, knowledge, experience, rights, authorizations, integrity, character and certifications as necessary to perform the products or services described herein, in a competent and professional manner.

The bidder(s) shall at all times cooperate with the County and coordinate its respective work efforts to most effectively and efficiently maintain the progress in performing the products or services.

2.27 PERFORMANCE QUALIFICATIONS:

The County reserves the right to investigate or inspect at any time whether the qualifications offered by bidders meet the Contract requirements. In addition, the County reserves the right, before awarding or renewing the Contract, to require bidders to submit such evidence of qualifications and the qualifications of sub-contractor(s) as it may deem necessary. Bidders shall at all times during the Contract term remain responsive and responsible. Bidders must be prepared, if requested by the County, to present evidence of, including but not limited to the following; experience, ability, and financial standing. If the County determines that the conditions of the solicitation documents are not complied with, or that the service proposed to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the County may terminate the contract for default. Bidders may be disqualified from receiving awards if bidders, or anyone in bidders’ employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the County to make an investigation either before or after award of the Contract, but should the County elect to do so, bidders are not relieved from fulfilling all Contract requirements.

2.28 CONFIDENTIALITY:

All Developed Works and other materials, data, third-party license agreements, transactions of all forms, financial information, documentation, inventions, designs and methods obtained from the County in connection with the work performed under this Contract, made or developed by bidder(s) or their subcontractors in the course of the performance of such work, or the results of such work, or which the County holds the proprietary rights, constitute confidential information and may not, without the prior written consent of the County, be used by the Bidder(s) or their employees, agents or subcontractors for any purpose other than for the benefit of the County, unless required by law. In addition to the foregoing, all County financial information shall be considered confidential information and shall be subject to all the requirements stated herein. Neither bidder(s) nor their employees, agents or subcontractors may sell, transfer, publish, disclose, display, license or otherwise make available to others any part of such confidential information without the prior written consent of the County. Additionally, bidder(s) expressly agrees to be bound by and to defend, indemnify and hold harmless the County, and their officers and employees from the breach of any federal, state or local law in regard to the privacy of individuals.

Bidder(s) shall advise each of their contractual personnel, agents and subcontractors who may be exposed to such confidential information of their obligation to keep such information confidential and shall promptly advise the County in writing if it learns of any unauthorized use or disclosure of confidential information by
any of its employees, present of former. In addition, bidder(s) agree to cooperate fully and provide any assistance to ensure the confidentiality of confidential information.

It is understood and agreed that in the event of a breach of this clause damages may not be an adequate remedy and the County shall be entitled to injunctive relief to restrain any such breach or threatened breach. Unless otherwise requested by the County, upon the completion of the work to be performed hereunder, Bidder(s) shall immediately turn over to the County all such confidential information existing in tangible form, including computerized forms, and no copies thereof shall be retained by bidder(s) or their employees, agents or subcontractors without prior written consent of the County. A certificate evidencing compliance with this provision and signed by an officer of the bidder(s) shall accompany such materials.

2.29 **CONTRACT AWARD NOTICE**

Contract awards will be communicated to successful Bidder by means of a County contract release Purchase Order.

2.30 **CONTRACTUAL PERSONNEL**

All bidders’ personnel shall be considered to be, at all times, employees of the Bidder. The County may require bidders to remove an employee it deems careless, incompetent, insubordinate, or otherwise objectionable and whose continued employment on County property is not in the best interest of the County. The bidders alone shall be responsible for their employees’ compensation and benefits of any kind, including but not limited to, federal, state and local withholding taxes, FICA, MICA and any and all other applicable taxes. The County reserves the right to approve or disapprove any changes in bidder’s personnel during performance under this Contract.

Bidders’ personnel shall observe and comply with County procedures and, if required by the County, shall wear identification provided by the County.

2.31 **SUBCONTRACTING**

In the event that bidders will sub-contract all or part of the work to another Party, bidders are required to verify the competency and compliance with requirements, specifically, that no financial gain is incurred in any way from information technology product and service companies, on the part of the subcontractor. Therefore, the County reserves the right, before awarding this contract, or any projects under this contract, to require bidders to submit such evidence of subcontractor(s), as it may deem necessary.

2.32 **ADDITIONAL QUANTITY OF ITEMS OR UNITS TO BE SERVICED**

Although this solicitation and resultant contract states a specific or an estimated number of items or units to be serviced, it is understood and agreed that the County may purchase additional hardware, software licenses and/or services from the bidder; provided that these additional items represent the same manufacturer, model or brand, and unit price stipulated within the contract.

2.33 **CLARIFICATIONS**

Before award, the County reserves the right to seek clarifications or request any information deemed necessary for proper evaluation of submissions from all bidders deemed eligible for Contract award. Failure to provide requested information in a timely manner may result in the rejection of the response.

These solutions have been utilized by MDPD since 2005 to electronically issue and process traffic citations. These solutions allow officers to populate vehicle and driver information returned from the Florida Crime Information Center (FCIC) and Department of Highway Safety and Motor Vehicles (DHSMV) into the traffic citation system and reduces error rate, increase accuracy, and completeness of citations when submitted to the Miami-Dade Clerk of Courts.

3.3 **ONGOING MAINTENANCE AND SUPPORT SERVICES**
