Vendor requirements & Financial Terms

- ✓ Must be an Authorized Avaya Enterprise Communication Manager Partner of the products and engineering services sold to us with credit limits that are adequate to service the order without pre-payment requirements.
- ✓ Must assign a dedicated account representative to our account who is available during normal business hours, who is familiar with the products and services including engineering and programming services.
- ✓ Must provide Support/Software Patches and/or updates included and available 24x7x365 (TIER 1 – Incident reporting, Tier 2 – Problem Management, Tier 3 Engineering support).
- ✓ Vendor must stock all inventory/replacement parts that comprise functional deliverables within the USA, with ability to deliver such replacement parts within 24 hours of notice.
- ✓ Vendor must provide a minimum of 3 year warranty on hardware and software replacement and provide evidence to demonstrate its ability to provide manufacturer's authorized warranty services for the entire term.
- ✓ Has telephone order placement capabilities (and on-line order placement capabilities are a plus).
- ✓ Must provide an Avaya certified solutions architect to perform the programming and engineering services with at least 5 years of experience programming and engineering telephony systems in sports entertainment venues.

Insurance Requirements

- Vendor shall purchase and maintain during the entire project and for two years after project completion insurance with the minimum limits and coverage shown below from insurance companies acceptable to Basketball Properties, Ltd. ("BPL"). BPL has the right to reject unacceptable insurance carriers.

STANDARD INSURANCE REQUIREMENTS	
Coverage Type	Limits
General Liability	\$1,000,000 Per Occurrence; \$2,000,000 General Aggregate; \$2,000,000 Completed Operations Aggregate
Auto Liability (All Hired Non-Owned)	\$1,000,000 for all jobs
Worker's Compensation	Statutory Limits; \$1,000,000 Employers Liability

- Vendor shall carry standard ISO General Liability coverage, written on an occurrence basis - including Completed Operations. Coverages on an occurrence basis shall be maintained without interruption from date of commencement of the Vendor's Work until date of final payment or date coverage is required to be maintained after final payment to the Vendor, whichever is later. The coverage must be endorsed to name Basketball Properties, Ltd., City of Miami, and Miami-Dade County as additional insured on a primary and non-contributory basis.

Timeline

- Procurement of materials, installation of hardware and necessary wiring, and programming must be completed no later than November 30, 2016.
- Vendor must submit a schedule of anticipated work days to Director of I.T. Operations for approval and must account for events as follows:
 - Crews must be available to work after 5pm until 2am on weekdays and full 24 hour availability during weekend hours
