1.6 Lobbyist Contingency Fees
a) In accordance with Section 2-11.1(s) of the Code of Miami-Dade County, after May 13, 2003, no person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.

b) A contingency fee is a fee, bonus, commission or non-monetary benefit as compensation which is dependent on or in any way contingent upon the passage, defeat or modification of: 1) any ordinance, resolution, action or decision of the County Commission; 2) any action, decision or recommendation of the PA or committee; or 3) any action, decision or recommendation of any PA/County personnel during the time period of the entire decision-making process regarding such action, decision or recommendation which forseeably will be heard or reviewed by the Property Appraiser.

1.7 Collusion
In accordance with Section 2-8.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. The foregoing presumption may be rebutted by the presentation of evidence as to the extent of ownership, control and management of such related parties in preparation and submittal of such proposals. Related parties shall mean Proposer or the principals thereof who have a direct or indirect ownership interest in another Proposer for the same contract or in which a parent company or the principals thereof of one Proposer have a direct or indirect ownership interest in another Proposer for the same contract. Proposals found to be collusive shall be rejected. Proposers who have been found to have engaged in collusion may be considered non-responsible, and may be suspended or debarred, and any contract resulting from collusive bidding may be terminated or default.

1.8 Pursuant to Ordinance 07-49, the County has created a pilot program for expedited purchasing, subject to terms and conditions as outlined in Section 2-8.1.6 of the Code of Miami-Dade County. The program shall be referred to as the Expedited Purchasing Program (EPP). Due to the expedited nature of PA projects issued under the EPP, participating vendors should anticipate a shortened solicitation timeline for responding. Technical, professional and legal staff may be used to determine best value as set forth in the solicitation documents without the need to utilize the formal Selection Committee process established by the PA. The Property Appraiser or designee’s written recommendation to award a contract under the EPP shall be sufficient to commence the bid protest period and terminate the Cone of Silence. Any legislation contrary to the provisions of the EPP shall be deemed suspended or amended as necessary to give effect to the intent of this ordinance during its effective term.

1.9 Contract Measures
This Solicitation includes contract measures for Miami-Dade County Certified Small Business Enterprises (SBE’s) as follows.
Set-aside:

This Solicitation is set-aside for SBE's.

_____% SBE subcontractor goal is applicable. The purpose of a subcontractor goal is to have portions of the work under the prime contract performed by available subcontractors that are certified SBEs for contract values totaling not less than the percentage of the prime contract value set out in this Solicitation. Subcontractor goals may be applied to a contract when estimates made prior to solicitation advertisement identify the quality, quantity and type of opportunities in the contract and SBEs are available to afford effective competition in providing a percentage of these identified services. Proposers shall submit a completed Schedule of Intent Affidavit (Form SBD 504) at the time of proposal identifying all SBEs to be utilized to meet the subcontractor goal. The Schedule of Intent Affidavit shall specify the scope of work and commodity code the SBE will perform. The Schedule of Intent Affidavit constitutes a written representation by the Proposer that to the best of the Proposer's knowledge the SBEs listed are available and have agreed to perform as specified, or that the Proposer will demonstrate unavailability.

The participating SBE firms (or joint ventures) must have a valid Miami-Dade County SBE certification by the proposal submittal deadline of this Solicitation, as well as, meet all other requirements. Additional information regarding Miami-Dade County's Small Business Enterprise Program, including new amendments to the program, is available on the Small Business Development's website http://new.miamidade.gov/business/business-development.asp.

Rev. 2/19/14
2.4 Tasks

A. GENERAL:

The selected Proposer shall provide printing and optional mailing services for all printing described on Section 2.3 (above). Mailing of above items is time sensitive. Exact mailing date for each submitted job will be provided by OT/COR at time of transmission of information. Ample time will be provided by OT/COR between transmission and mail date. Submitted job is processed, printed and mailed (if selected Proposer is designated to provide mailing services) with single items mailed out efficiently and multi-items mailed correlated by zip code, address and name correctly.

The selected Proposer shall be capable of consolidating two (2) sets of data files into one (1) notice and/or consolidating two (2) sets of notices into one envelope for mailing. Selected Proposer shall be responsible for and agree to furnish all labor, materials, equipment, quality control procedures and supervision required for completion in a superior and professional manner. The PA reserves right to view completed sample of each type of mailing prior to the printing of such mailings.

B. DATA PROCESSING SERVICES

The selected Proposer shall provide, but not limited to, the following:

1. Data File Manipulation:
   a. receive and send data files electronically, via email, FTP, or other means;
   b. perform simple merging of data files or more complex by matching on data field;
   c. merge multiple PDF files into one;
   d. split a single PDF file into many, as defined;
   e. manipulate the data by removing duplicates, or data identified;
   f. name or rename input and output data files;

   h. process data received through USPS National Change of Address NCOA and report the findings.
   i. provide, at no charge, minor design changes as requested, such as:
      i. Applying justification, center, left, or right
      ii. Truncating characters/numbers at the front or back end;
      iii. Removing leading or trailing zeroes or characters.
   j. map input fields to locations on the letter, or forms.

2. Printing Services:
   a. specify paper stock (i.e. color, weight, font, font size, etc.) requirements;
   b. specify alternative print media other than paper (i.e. vinyl commonly referred to as wraps);
   c. print envelope with and without address widows;

      i. One file per addressee, even if it's a multi-page mailing
      ii. One file for the entire mailing,

   b. have visibility to the state of the project in the workflow;

C. SAMPLES

Actual Sample documents for viewing are available to Proposers. Proposers may view samples at the PA Purchasing Unit, 1111 NW 1st Street, Suite 710, Miami, FL 33126. As an alternate, proposers may provide the Purchasing Unit with a postage-prepaid, self-addressed envelope, and the samples can be mailed. Proposers must allow sufficient time for the samples to be assembled and mailed; the PA shall not be responsible for any delays in providing the samples.

The samples indicate the source files provided by PA for the suggested formats for each type of correspondence required. The PA will consider reformatted configurations to fit 8½" x 11" paper. Selected Proposer will provide, at no charge, minor design changes as requested by PA. Input fields are mapped to the sample forms. Where input lengths exceed output lengths, the logic should be as follows:

(1) for alphanumeric fields, left justify and truncate and
(2) for numeric fields, right justify and remove leading zeroes. As selected Proposer, equipment and capability may vary, Proposers should regard the sample outputs as guidelines, and provide responses that include samples to be produced. Font types and sizes may vary, but font should be uniform within a section of
correspondence. OCRV Scan Line must be in exact position for items having scan line using the standardized OCR A and/or B fonts. While the samples provided can be derived from the inputs without processing, the PA would prefer a Proposer who can demonstrate the ability to accumulate totals, aggregate on field value change and control format based on field contents and types.
