Should a site increase or decrease, updated price quotes shall be obtained from the Awarded Bidder. If the County determines that the updated price submitted by the Awarded Bidder is not competitive, the County reserves the right to acquire the services through a separate solicitation.

C. Deletion
Sites may be deleted when services are no longer required during the contract period; upon written notice to the Awarded Bidder.

2.11 LIQUIDATED DAMAGES
In order to assure that Miami-Dade County receives the services and to ensure that beaches are clean of seaweed, the County may impose administrative charges in the amount listed below. These administrative charges are deducted against the monthly invoices from the Awarded Bidder. When the outstanding invoices are insufficient, the County may invoice the Awarded Bidder for failure to perform in accordance with the contract.

Failure to complete the project in accordance with the specifications and to the satisfaction of the County within the time stated shall cause the Bidder to be subject to charges for liquidated damages in the amount of $ for each and every calendar day the work remains incomplete. The liquidated damages amount will be determined by dividing the annual price by 365 for the location in which services were incomplete. As compensation due to the County for loss of use and for additional costs incurred by the County due to such non-completion of the work, the County shall have the right to deduct the said liquidated damages from any amount due, or that may become due to the Bidder under this agreement, or to invoice the Bidder for such damages if the costs incurred exceed the amount due to the Bidder.

2.13 ACCEPTANCE BY THE COUNTY

In the event workmanship is found incomplete, unsafe, and otherwise unsatisfactory in the judgment of a designated County representative, the Awarded Bidder shall, upon notice, immediately correct any such discrepancies or deficiencies.
The Awarded Bidder shall promptly correct all apparent and latent deficiencies and/or defects in work, and/or any work that fails to conform to the contract documents regardless of project completion status. All corrections shall be made within twenty-four (24) hours from the point when such rejected defects, deficiencies, and/or nonconformance are reported to the Bidder by the County. The Bidder shall bear all costs of correcting such rejected work. If the Bidder fails to correct the work within the period specified, the County may, at its discretion, notify the Bidder, in writing, that the Bidder is subject to contractual default provisions if the corrections are not completed to the satisfaction of the County within twenty-four (24) hours from receipt of notice. If the Bidder fails to correct the work within the period specified in the notice, the County shall place the Bidder in default, obtain the services of another Bidder to correct deficiencies, and charge the incumbent Bidder for these costs, either through a deduction from the final payment owed to the Bidder or through invoicing. If the Bidder fails to honor this invoice or credit memo, the County may terminate the contract for default.

2.14 COMPETENCY OF VENDORS AND SUBCONTRACTORS

Offers will be considered only from firms which are regularly engaged in the business of performing the services as described in the solicitation, and who can produce evidence that they have a satisfactory record of performance for a reasonable period of time. Bidders must demonstrate that they have sufficient financial support and organization to ensure that they can satisfactorily execute the contract if awarded under the terms and conditions herein stated. In the event that the Bidder intends to sub-contract any part of its work to another vendor, or will obtain the goods specifically offered under this contract from another source of supply; the Bidder may be required to verify the competency of its subcontractor or supplier. Miami-Dade County reserves the right, before awarding the contract, to require a Bidder to submit such evidence of its qualifications and the qualifications of its sub-contractor as it may deem necessary. The County may consider any evidence available to it of the financial, technical and other qualifications and abilities of any Bidder responding hereunder, including past performance with the County, in determining Bidder responsibility for the purposes of selecting a Bidder for contract award.

2.15 VEHICLES AND EQUIPMENT

The Awarded Bidder’s vehicle and equipment shall be in proper working conditions, free from leaking fluids. All equipment shall include all safety devices, properly installed and maintained. If the County determines that the equipment is deficient, the Bidder will be notified immediately. Any fines levied by the above mentioned authorities for failure to comply with these requirements shall be borne solely by the responsible vendor. The Awarded Bidder shall, at its own expense furnish and erect barricades, fences, lights, and danger signals, and shall take such other precautionary measures for the protection of persons, property and the work as may be necessary. It is the responsibility of the Bidder to immediately remove and/or replace damaged work or materials due to their failure to post the proper safety warnings, barricades, fences, lights, and danger signals.

ARTICLE 37. BANKRUPTCY
The County reserves the right to terminate this contract, if, during the term of any contract the Contractor has with the County, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

ARTICLE 39. COUNTY USER ACCESS PROGRAM (UAP)

a) User Access Fee
Pursuant to Section 2-8.10 of the Code of Miami-Dade County, this Contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this Contract, or any contract resulting from the solicitation referenced on the first page of this Contract, and the utilization of the County Contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all Contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

The Contractor providing goods or services under this Contract shall invoice the Contract price and shall accept as payment thereof the Contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Contractor participation in this invoice reduction portion of the UAP is mandatory.

b) Joint Purchase
Only those entities that have been approved by the County for participation in the County’s Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive County Contract pricing and terms and conditions. The County will provide to approved entities a UAP Participant Validation Number. The Contractor must obtain the participation number from the entity prior to filling any order placed.
pursuant to this Section. Contractor participation in this joint purchase portion of the UAP, however, is voluntary. The Contractor shall notify the ordering entity, in writing, within three (3) business days of receipt of an order, of a decision to decline the order.

For all ordering entities located outside the geographical boundaries of Miami-Dade County, the Contractor shall be entitled to ship goods on an “FOB Destination, Prepaid and Charged Back” basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

The County shall have no liability to the Contractor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the Contractor and shall be paid by the ordering entity less the 2% UAP.

c) Contractor Compliance

If a Contractor fails to comply with this Article, that Contractor may be considered in default by the County in accordance with Article 24 of this Contract.

ARTICLE 40. FIRST SOURCE HIRING REFERRAL PROGRAM

Pursuant to Section 2-2113 of the Code of Miami-Dade County, for all contracts for goods and services, the Contractor, prior to hiring to fill each vacancy arising under a County contract shall (1) first notify the South Florida Workforce Investment Board (“SFWIB”), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the County to fill a minimum of fifty percent (50%) of its employment needs under the County contract through the SFWIB. If no suitable candidates can be employed after a Referral Period of three to five days, the Contractor is free to fill its vacancies from other sources. Contractor will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of $1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less.
