Good Morning Vivian,

Please review the attached RFP for a determination of the SBE measure to be applied. A copy of the input doc/project measures worksheet is also attached. This project will receive some funding during the initial three year contract term from Parks, Recreation and Open Spaces and Commissioner Soto's office. However, if the County chooses to exercise the option to renew period the County would re-negotiate the contract to include a percentage of gross receipts as Revenue to the County. This project was issued as EPP-RFP646 in 2008 and rejected the same year. My recommendation would be No Measures.

Thank you.

In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the proposal as protected or confidential, the County may, in its sole discretion, either (a) communicate with the Proposer in writing in an effort to obtain the Proposer’s written withdrawal of the confidentiality restriction or (b) endeavor to redact and return that information to the Proposer as quickly as possible, and if appropriate, evaluate the balance of the proposal. Under no circumstances shall the County request the withdrawal of the confidentiality restriction if such communication would in the County’s sole discretion give to such Proposer a competitive advantage over other proposers. The redaction or return of information pursuant to this clause may render a proposal non-responsive.

Any Proposer who, at the time of proposal submission, is involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law or any state insolvency law, may be found non-responsible. 1.7 **Collusion**
In accordance with Section 2-8.1.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. 4.3 Oral Presentations
Upon completion of the technical criteria evaluation indicated above, rating and ranking, the Evaluation/Selection Committee may choose to conduct an oral presentation with the Proposer(s) which the Evaluation/Selection Committee deems to warrant further consideration based on, among other considerations, scores in clusters and/or maintaining competition. (See Form A-2 regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), the Evaluation/Selection Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor
This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBEs) as follows. A SBE/Micro Business Enterprise is entitled to receive an additional ten percent (10%) of the total technical evaluation points on the technical portion of such Proposer’s proposal. An SBE/Micro Business Enterprise must be certified by Small Business Development for the type of goods and/or services the Proposer provides in accordance with the applicable Commodity Code(s) for this Solicitation. For certification information contact Small Business Development at (305) 375-2378 or access http://new.miamidade.gov/business/business-development.asp. The SBE/Micro Business Enterprise must be certified by proposal submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference. Firms that graduate from the SBE program during the contract may remain on the contract.

4.5 Local Certified Service-Disabled Veteran’s Business Enterprise Preference
This Solicitation includes a preference for Miami-Dade County Local Certified Service-Disabled Veteran Business Enterprises in accordance with Section 2-8.5.1 of the Code of Miami-Dade County. A VBE is entitled to receive an additional five percent (5%) of the total technical evaluation points on the technical portion of such Proposer’s proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran’s preference provided in this section and shall be limited to the applicable SBE preference.

4.6 Price Evaluation
After the evaluation of the technical proposal, in light of the oral presentation(s) if necessary, the County will evaluate the price proposals of those Proposers remaining in consideration.

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer’s understanding of the County’s needs described in this Solicitation, the Proposer’s assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.7 Local Preference
The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses (see Form A-4). If, following the completion of final rankings by the Evaluation/Selection Committee, a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Evaluation/Selection Committee will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations
The County may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer’s best terms from a monetary and technical standpoint.

The Evaluation/Selection Committee will evaluate, score and rank proposals, and submit the results of their evaluation to the County Mayor or designee with their recommendation. The County Mayor or designee will
determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. In his sole discretion, the County Mayor or designee may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, or may request best and final offers.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer's preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.

b) Information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.

4.9 Contract Award

Any contract, resulting from this Solicitation, will be submitted to the County Mayor or designee for approval. All Proposers will be notified in writing when the County Mayor or designee makes an award recommendation. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.

4.10 Rights of Protest

A recommendation for contract award or rejection of all proposals may be protested by a Proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the County Code, as amended, and as established in Implementing Order No. 3-21.

ARTICLE 35. CONFLICT OF INTEREST

The Contractor represents that:

a) No officer, director, employee, agent, or other consultant of the County or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the award of this Agreement.

   ii) is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge any subcontractor or supplier to the Contractor.

c) Neither the Contractor nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligation under this Agreement; provided that the County, in its sole discretion, may consent in writing to such a relationship, provided the Contractor provides the County with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the County's best interest to consent to such relationship.

Contractor shall thereafter cooperate with the County’s review and investigation of such information, and comply with the instructions Contractor receives from the Project Manager in regard to remedying the situation.

ARTICLE 36. PRESS RELEASE OR OTHER PUBLIC COMMUNICATION

Under no circumstances shall the Contractor without the express written consent of the County:

a) Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the County, or the Work being performed hereunder, unless the Contractor first obtains the written approval of the County. Such approval may be withheld if for any reason the County believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and

THE FEE IS NOT APPLICABLE TO THIS CONTRACT

ARTICLE 40. FIRST SOURCE HIRING REFERRAL PROGRAM

Pursuant to Section 2-2113 of the Code of Miami-Dade County, for all contracts for goods and services, the Contractor, prior to hiring to fill each vacancy arising under a County contract shall (1) first notify the South Florida Workforce Investment Board (“SFWIB”), the designated Referral Agency, of the vacancy and list the vacancy with SFWIB according to the Code, and (2) make good faith efforts as determined by the County to fill a minimum of fifty percent (50%) of its
employment needs under the County contract through the SFWIB. If no suitable candidates can be employed after a Referral Period of three to five days, the Contractor is free to fill its vacancies from other sources. Contractor will be required to provide quarterly reports to the SFWIB indicating the name and number of employees hired in the previous quarter, or why referred candidates were rejected. Sanctions for non-compliance shall include, but not be limited to: (i) suspension of contract until Contractor performs obligations, if appropriate; (ii) default and/or termination; and (iii) payment of $1,500/employee, or the value of the wages that would have been earned given the noncompliance, whichever is less. Registration procedures and additional information regarding the FSRHP are available at https://iapps.southfloridaworkforce.com/firstsource/.

ARTICLE 41. PUBLIC RECORDS AND CONTRACTS FOR SERVICES PERFORMED ON BEHALF OF A PUBLIC AGENCY

The Contractor shall comply with the state of FL Public Records Law, s. 119.0701, F.S., specifically to: (1) keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service; (2) provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law; (3) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (4) meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the Contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency. If the Contractor does not comply with a public records request, the public agency shall enforce contract provisions in accordance with the contract.

ARTICLE 42. SURVIVAL

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Contractor and the County under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

ARTICLE 43. GOVERNMENTAL APPROVALS

If any governmental license or permit shall be required for the proper and lawful conduct of Contractor’s business in the Ronald Reagan Equestrian Center at Tropical Park, or any part thereof, or if failure to secure a license or permit would in any way adversely affect the County, the Contractor at its expense, shall duly procure and thereafter maintain such license or permit and submit the same to inspection by the County. Contractor shall at all times comply with the terms and conditions of each license and permit.

ARTICLE 44. NON-EXCLUSIVITY

This Agreement is non-exclusive in character and in no way prevents the County from authorizing or offering competitive services, products or items by other concessionaires or others in premises owned and operated by the County or from authorizing other concession services within the Ronald Reagan Equestrian Center at Tropical Park. This Contract does not give the Contractor the rights to any other location or concession that may be made available by the County.
ARTICLE 45. SALES TAX

The Contractor shall be liable for the prevailing State of Florida Sales and Use Tax imposed on payments (currently at the rate of 7%) on the amounts payable to the County. This Sales and Use Tax shall be payable to the County, when payment is due, which in turn will remit same, less authorized handling deductions, to the State.

ARTICLE 46. GROSS RECEIPTS

A. Gross Receipts Defined: "Gross Receipts" means all receipts from the sale of services or merchandise by Contractor, concessionaires of Contractor and sub-Contractor(s) of Contractor, sold in, upon or from the Cattle and Livestock Show, including such sales as shall in good faith be credited by Contractor, its concessionaires, and sub-Contractors in the regular course of its or their business to personnel employed at the time of sale at the Cattle and Livestock Show, including sub-concession agreements or contract employee payments to the Contractor and mail and telephone orders received for the Cattle and Livestock Show and off-premises sales; but shall not be deemed to mean or include the following: amounts credited by Contractor or its concessionaires or sub-concessionaires for returned or defective merchandise; sales, excise and similar taxes; or the proceeds of sales of Contractor's trade fixtures, operating equipment or other property used by Contractor or its concessionaires in the operation of its business and not acquired or held by it for the purpose of sale. Sales shall be deemed to have been made when services or merchandise has been served, shipped or delivered or when charged against the purchaser on the books of Contractor, or its concessionaires, whichever of such events shall first occur.

B. Contractor's Certification of Receipts: Contractor shall submit to the County two weeks after the close of the Cattle and Livestock Show, signed by Contractor and certified by it to be true and correct, showing the amount of Gross Receipts during the Cattle and Livestock Show.

C. Examination of Contractor's Books and Records: Such books and records as are necessary to determine the amount of any Percentage of Gross Receipts payable to County shall be subject to examination by County or its authorized representatives at reasonable times during Contractor's business hours, at County's expense and in such manner as not to interfere unreasonably with the conduct of Contractor's business. All information obtained by County or its authorized representatives from Contractor's books and records shall be kept confidential by County and all such representatives except in connection with any mortgage or assignment of this Agreement for financing purposes or if subject to the requirements of Florida Public Records Act.

D. Contractor's Receipts Records: For the purpose of computing and verifying the Percentage of Gross Receipts due hereunder, Contractor shall prepare and keep, for a period of not less than three (3) years following the end of each Cattle and Livestock Show, adequate books and records, including but not limited to those relating to inventories, purchases, and receipts of merchandise, and all sales and other pertinent transactions by Contractor. Contractor shall record at the time of sale each receipt from sales or other transactions, whether for cash or on credit, in one or more sealed cash register or registers having a cumulative total. Contractor shall keep, for at least three (3) years following the end of each Cattle and Livestock Show, all pertinent original sales records, which records shall include (i) cash register tapes; (ii) serially-numbered sales slips; (iii) mail order; (iv) telephone orders; (v) settlement report sheets of transactions with sub-Contractors, concessionaires, and licensees; (vi) records showing that merchandise returned by customers was purchased by such customers; (vii) receipts or
other records of merchandise taken out on approval; (viii) income and sales tax returns; and (ix) such other records which would normally be examined and required to be kept by an independent accountant pursuant to generally accepted auditing standard in performing an audit of Contractor's Gross Receipts.

The acceptance by County of payments of Percentage of Gross Receipts or reports thereon shall be without prejudice and shall in no case constitute a waiver of County's right to examination of Contractor's books and records of its Gross Receipts and inventories of merchandise.

E. Audit of Contractor's Business Affairs and Records: County shall have the right to cause, upon five (5) days written notice to Contractor, a complete audit to be made by a designated external auditing firm or other certified public accounting firm selected by the Department, or the Audit and Management Services Department of the County. Contractor shall make all such records available for said examination at the Ronald Reagan Equestrian Center at Tropical Park or at some other mutually agreeable location. If the result of such audit shall show that Contractor's statement of Gross Receipts for any period has been understated, Contractor shall pay County the amount due. If such understatement is three percent (3%) or more, Contractor shall pay County the cost of such audit in addition to any deficiency payment required, plus ten percent (10%) of any such deficiency, all of which shall be collectible hereunder as payments. A report of the findings of said accountant shall be binding and conclusive upon County and Contractor. The furnishing by Contractor of any grossly inaccurate statement shall constitute a breach of this Agreement. Any information, excluding written documents, obtained by County as a result of such audit shall be held in strict confidence by County except in any proceeding or action to collect the cost of such audit or deficiency, or except in connection with any mortgage or assignment of this Agreement for financing purposes.

ARTICLE 47. SECURITY AND PROTECTION

The Contractor acknowledges and accepts full responsibility for the security and protection of its equipment, other personal property and money used in connection therewith. The County makes no warranties as to any obligation to provide security for the Cattle and Livestock Show or Ronald Reagan Equestrian Center at Tropical Park outside of standard security measures supplied by the County in general. Contractor may provide its own specialized security for the Cattle and Livestock Show, subject to the County's written approval.

ARTICLE 48. COUNTY'S PROPERTY INSURANCE

Any insurance the County may maintain shall not cover Contractor's improvements and betterments, contents, or other property of Contractor. Contractor shall not violate, or permit the violation of, any condition imposed by any of the County's insurance policies, and shall not do, or permit anything to be done, or keep or permit anything to be kept in the Ronald Reagan Equestrian Center at Tropical Park which would increase the fire or other property or casualty insurance rate on the building or buildings in which the Ronald Reagan Equestrian Center at Tropical Park is located or the property therein over the rate which would otherwise then be in effect (unless County agrees and Contractor pays the resulting increased amount of premium as provided under the further terms hereof), or which would result in insurance companies of good standing refusing to insure the same or any of such property in amounts and at normal rates reasonably satisfactory to the County. If, by reason of any act or omission on the part of Contractor, the rate of property insurance on the Ronald Reagan Equestrian Center at Tropical Park or equipment or other property of the County shall be higher than it otherwise would be, Contractor shall reimburse the County, on demand, for that part of the premiums for property insurance paid by the County because of such act or omission on the part of Contractor, which sum shall be deemed additional payments for purposes of collection only.
IN WITNESS WHEREOF, the parties have executed this Agreement effective as of the contract date herein above set forth.
