1.0 Project Overview and General Terms and Conditions

1.1 Introduction

- Miami-Dade County, hereinafter referred to as the County, as represented by the Public Housing and Community Development (PHCD), is soliciting proposals for Developer Services to maximize and expedite the development potential of existing public housing sites as indicated herein and provide a financial return to PHCD, while increasing the supply of quality affordable housing for the residents of Miami-Dade County. The County seeks to rehabilitate/upgrade existing public housing units, remove and replace obsolete public housing units, increase the number of units on its under-utilized sites and permit commercial and other special purpose uses where appropriate. PHCD also seeks to replace its older units with new designs that resemble market-rate units (regardless of whether these are public housing, affordable or market rate units) and incorporate creative and sustainable design solutions. Through this solicitation (RFQ), the County seeks to qualify Proposers to develop existing County-owned sites to accomplish the goals stated below.

The County's Development Goals:

- The County’s primary goal is to increase the supply of affordable, quality housing for residents. The County seeks to match experienced developers to these properties that can meet this objective.

- The County seeks to participate in any revenue or income streams produced by the new development. This may include, but is not limited to, ground lease payments, net revenues, developer fees, reimbursement of PHCD’s and administrative expenses (assume at 2% of total development cost) and other sources as may be provided by developers.

- The County seeks to provide employment opportunities for very low, low, and moderate income residents housed in the development areas, and improve the quality of life through the development of PHCD sites.

General Information:

The County seeks to qualify developers for development opportunities at existing public housing developments in Miami-Dade County, currently being managed by PHCD.

The County is interested in using the mixed-income and mixed-finance approach to development, which is authorized by the federal regulations governing the County's housing programs, such as public housing. The mixed-income and mixed-finance approach to the development of public housing has dramatically changed the manner in which public housing authorities (PHA) can deliver public housing units. This approach: (1) permits development of projects which include both non-public housing units and public housing units; (2) permits PHCD to enter into partnership arrangements with non-profit and private developers to own mixed-income and mixed-finance developments; (3) permits private, third party management of mixed-income and mixed-finance developments; and (4) permits PHCD to assign operating and capital subsidies to such properties.
This mixed-income and mixed-finance approach also encourages the leveraging of public housing financial resources with other private and public funds. There is more flexibility in funding mixed-finance projects, as well as in mixing unit types, so that developments may include mixed-income residents, with "affordable" and market-rate units along with public housing units. To this end, the County, as a PHA, is seeking developers who can successfully apply and compete for available financing opportunities from local, state and federal sources.

The United States Department of Housing and Urban Development (HUD) has encouraged PHAs to approach the development of new units in an entrepreneurial manner as possible. PHCD has demonstrated the willingness, and the capacity, to plan mixed-income developments, and to execute mixed finance transactions.

**Property Descriptions:** Property sites included in this RFQ are described as indicated in Exhibit G. Additional information on PHCD is available at www.miamidade.gov/housing.

**Developments:** Statements of interest may focus on more than one site. Work by the Selected Developer(s) may include entire site or only a portion of a site, and may include rehabilitation or demolition of existing structures, replacement housing, new infill housing between existing structures, development of new commercial or special purpose facilities, or any combination thereof.

**Developers:** Developers may be non-profit (including faith-based) or, for-profit entities, for development and ownership purposes. The dwelling units, commercial spaces or special purpose facilities may be sold (subject to a ground lease and/or other agreement), or rented. Miami-Dade County will retain ownership of the land and may participate in the partnership that owns the improvements, and expects to share in any revenue generated by new development.

This solicitation (RFQ No. ___) is subject to the budget and fiscal provisions under which PHCD operates.

**Section 3 Compliance:** The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that the employment and other economic opportunities generated by HUD assistance of HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low income persons, particularly persons who are recipients of HUD assistance for housing. (See attached Exhibit E).

The County anticipates entering into developer agreement(s) that contemplate the execution of additional documents, which comply with all applicable federal, state and local requirements with Selected developers subject to the Selected developer(s) successfully obtaining financing. The term of any agreement will be negotiated with Selected developer(s).

SECTION 3 OF THE HUD ACT OF 1968
APPENDIX B
PUBLIC HOUSING AND COMMUNITY DEVELOPMENT (PHCD)
SECTION 3 OF THE HUD ACT OF 1968

CONE OF SILENCE EXEMPTION. PHCD staff and bidders may communicate orally while a bid is in progress and prior to award of bid to clarify Section 3 definitions, requirements and business preference procedures, pursuant to the Miami-Dade Commission on Ethics opinion on March 10, 2004.

I. GENERAL REQUIREMENTS FOR PHCD ONLY
This contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations in 24 Code of Federal Regulations (CFR) Part 135, as amended by interim rule published on June 30, 1994 (59 FR 33866). Bidders interested in receiving copy of this regulation may email their request to Public Housing and Community Development (PHCD) Resident Services Unit at section3@miamidade.gov. Section 3 requires that, to the greatest extent feasible and consistent with Federal, State and local laws and regulations, job training, employment, and contracting opportunities be directed to low and very-low income persons. Contractors must familiarize themselves with Section 3 regulations and requirements.

This contract is also subject to federal affirmative marketing plan requirements, which require the contractor to take all necessary affirmative marketing steps to ensure small, minority and women-owned business enterprises are used only, if subcontracting is applicable to this contract.

II. SECTION 3 DEFINITIONS
The term "Section 3 business" is defined as follows:
Firms owned by Miami-Dade County (M-DC) residents who meet M-DC’s low income household limits (see “Miami-Dade Income Limits”) or whose firms include 30% of these persons as full-time employees.

The term “new hires” is defined as follows:
New hires means full-time employees for permanent, temporary or seasonal employment opportunities and include, but are not necessarily limited to, all management, maintenance, clerical and administrative jobs arising in connection with the development(s) stipulated in the contract award.

The term “Section 3 Resident” is defined as follows:
A Section 3 Resident is an individual who lives in Miami-Dade County and (a) is a resident of public housing, or (b) is a resident of another federally assisted housing program (Section 8, Section 202, etc.), or (c) is a current recipient or participant in a public assistance program (TANF, JTPA, etc.), or (c) whose family household income meets the definition of a low-or very-low income family (see no. 5, below).
The current Miami-Dade Income Limits are as follows:

III. SECTION 3 BID PREFERENCE TERMS AND REQUIREMENTS

2. Where applicable, an award will be made to the LOWEST responsive, responsible pre-certified Section 3 business, with the highest priority ranking, as stipulated under Section III, “Section 3 Business Priority Rankings”, if that bid: is within the maximum total contract price established in PHCD’s budget, and is not more than “X” higher than the total bid price of the lowest responsive bid from any responsible bidder. “X” is determined as follows:

a. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that the employment and other economic opportunities generated by HUD assistance of HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low income persons, particularly persons who are recipients of HUD assistance for housing.

b. The parties to this contract agree to comply with HUD’s regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this

The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

e. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed; and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

f. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

g. 7. Consultants who subcontract work are required to provide PHCD with a written explanation if the S-3 minimum subcontracting goal is not met.

Consultant shall demonstrate compliance in solicitation to the business categories, listed above, by following the steps described on page two of this Plan and providing evidence to PHCD when requested.
1. Refer any interested sub consultants that may meet the criteria to become a certified S-3 business to PHCD Resident Services Unit for S-3 business application assistance. The application to become a Section 3 pre-certified business is available at http://www.miamidade.gov/housing/section3.asp.

2. You may solicit Section 3 pre-certified businesses from PHCD S-3 business lists by emailing a request to the Section 3 Coordinator at section3@miamidade.gov.

3. Contact Department of Small Business Development (SBD), 305-375-3111 or via email miamidade.gov to obtain lists of small, minority and/or women-owned businesses. Solicitations and awards must be made, where feasible, to various minority-owned firms, including minorities other than firm’s own minority, and to women firms.

4. Advertise for S-3 sub consultants/subcontractors (subs) in construction trade journals, such as “The Dodge Reports”, and post notices and distributes flyers at work site and surrounding neighborhood. The purpose of such advertisements is to make prospective subs aware of the Section 3 preference requirements applicable to PHCD project awards.

5. Fax, send or deliver “Sub consultant Solicitation to Section 3, Small, Minority and Women Businesses” form, to all prospective sub consultant firms solicited for each PHCD award.

6. Allow each sub consultant a minimum of five business days to respond to consultant’s solicitation request. Include all “Letters of Intent” forms received from S-3, small, and minority, and women-owned sub consultants. Request sub consultants not interested or unavailable to bid to provide consultant with “Certificate of Unavailability” form.

7. Use the “Outreach Documentation Form” to document recruitment and follow-up with sub consultants. Make a second attempt to solicit to any S-3 firms who did not respond to the first solicitation attempt, using a variety of communication methods, i.e. facsimile, telephone, pager, e-mail, etc.

8. Consultants are required to negotiate with S-3 businesses, first and small, minority and women-owned businesses; second, if the sub consultant’s bid amount would make the project infeasible.

9. Submit the following evidence to PHCD when requested (described under nos. 3-8 above and under “Contractors Recruitment of S-3, Small, Minority and Women businesses”, page one, para. one). Other post-award required submittals include Document 00430, “List of Subcontractors/Sub consultants”, and, from consultant and its sub consultants or subcontractors. Documents 00450, 00452 and 00453, “Estimated Workforce Breakdown”, “Employee List” and “Consultant/Sub consultant Certification”.

10. For each PHCD project award, retain documentation of outreach efforts and responses received from any organizations and subcontractors contacted for three years after project is completed.

Forms described above, under nos. 5-9, are post-award forms, and applicable only if successful bidder will be subcontracting (where subcontracting is permitted)
