SECTION 2: SPECIAL CONDITIONS

2.1 PURPOSE

The purpose of this RFQ is to establish a contract to purchase scheduled grounds maintenance for the Homestead properties owned by ISD.

The scope of work consists of turf mowing, trimming and edging, pruning trees, bushes, vines and shrubs, clean-up, and clean yard trash pickup and disposal. Services shall be performed in a thorough and skillful manner with the highest professional grounds maintenance standards and horticulture techniques.

2.2 TERM OF CONTRACT: THREE YEARS

This RFQ shall commence on the first calendar day of the month succeeding approval of the contract by the County, contingent upon the completion and submittal of all required documents. The contract shall expire on the last day of the last month of the three-year contract term.

2.3 SMALL BUSINESS CONTRACT MEASURES

TBA

2.4 METHOD OF AWARD

Award of this RFQ will be made to the lowest priced responsive, responsible Bidder by Group in the Award of this RFQ will be made to the lowest priced responsive, responsible Bidder by Group in the aggregate, who qualified under RTQ 9743-0/23 for Group 1.

In order to be considered for award, Bidders must submit an offer for all items listed within each Group. If a Bidder fails to submit an offer for all items, within the Group, its offer for that Group may be rejected.

A. MINIMUM REQUIREMENT

Bidders shall provide the name of the Project Manager and/or Supervisor, along with the contact information. The Project Manager and/or Supervisor shall be the individual in their organization who is knowledgeable and experienced in grounds maintenance; and who will serve as the primary point of contact for the County. The Project Manager and/or Supervisor shall be able to communicate with the County and shall have full authority to act on behalf of the Bidder on all matters related to operations.

Bidders shall submit the specified information listed above with their bid submittal form as proof of compliance to the requirement of this RFQ. However, the County may, at its sole discretion and in its best interest, allow Bidders to complete, supplement or supply the required information during the evaluation period.

If the awarded Bidder fails to perform in accordance with the terms and conditions of the contract, the Bidder may be deemed in default of the contract. If the awarded Bidder defaults, the County shall have the right to negotiate with the next responsive, responsible Bidder.

2.5 EXAMINATION OF SITES IS HIGHLY RECOMMENDED

A mandatory pre-bid meeting has been scheduled for **Wednesday, April 06, 2016** at 8:30 a.m. followed by a site visit for all properties listed under this RFQ. The meeting point will be **_____**.

It is very important that Bidders visit the sites of the proposed work and become familiar with any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required prior to submitting an offer. No additional allowances will be made because of lack of knowledge of these conditions. An aerial map will be provided at the meeting indicating the limits of each sites.

It is required that Bidder(s) confirmed their participation no later than **Monday, April 04, 2016** to icalder@miamidadegov.

The 'cone of silence' will be lifted during the site visit to allow any questions to be addressed with representatives from Miami-Dade County. Bidders shall provide their own transportation and arrived promptly as meeting will start on time. Bidders are requested to bring a copy of the RFQ to the site visit, as additional copies will not be available. This is a public meeting and multiple members of individual community councils may be present.

2.6 **PRICES**

The initial contract prices resultant from this RFQ shall remain fixed and firm for no less than 12 months from the commencement date. It is the Bidder's responsibility to request any price adjustment. The Bidder's request for adjustment must be submitted to the County's Internal Services Department for review no less than 90 days prior to expiration of the then current contract year. The County may consider an adjustment to prices based on the Consumer Price Index (CPI) percentage change as calculated by the US Department of Commerce for all Urban Consumers in the Miami-Ft. Lauderdale area. This adjustment shall not exceed the current Living Wage adjustment as published by the Small Business Development Division of the Department of Regulatory and Economic Resources issued each October.

The County reserves the right to reject any price adjustments submitted by the awarded Bidder(s) or to negotiate lower pricing during the contract period based on market conditions or other factors that influence price. The County also reserves the right to apply any reduction in pricing based on the downward movement of the applicable index.

2.7 **MIAMI-DADE COUNTY LIVING WAGES**

If the total contract value, **per year**, exceeds \$100,000 the provisions of Section 2-8.9 (Living Wages) of the Code of Miami-Dade County (Code) as amended by Ordinance [Governing Legislation], will apply. A copy of this Code Section may be obtained online at www.miamidadegov. A copy of the Administrative Order may be obtained online at <http://www.miamidadegov/aopdfdoc/aopdf/pdf/files/AO3-30.pdf>.

2.8 **CHANGES**

A. Additional Group, Site and/or Service

Although this RFQ identifies specific group and sites to be serviced, it is hereby agreed and understood that the County may at its option add new groups and/or sites to the contract.

1. Should additional group(s) need to be added to the contract, price quotes will be obtained from the Bidder awarded under this RFQ. If the County determines that the prices submitted by the Bidder are not competitive, the County reserves the right to acquire the services through a separate solicitation.
2. Should the County determine that additional sites need to be added to a group, a quote shall be obtained from the Bidder servicing that group. If the County determines that the prices submitted by the Bidder is not competitive, the County reserves the right to acquire the services through a separate solicitation.

B. Deletion

Groups and/or sites may be deleted when such services are no longer required during the contract period; upon written notice to the awarded Bidder.

C. Additional Services

If additional services are required, price quotes shall be obtained from the Bidder servicing that site. If the County determines that the price submitted by the Bidder is not competitive, the County reserves the right to acquire the services through a separate solicitation.

D. Site Modification

Should a site increase or decrease in size or plant/landscaping material removed or added, price quotes

shall be obtained for the modification from the Bidder servicing that site. If the price submitted by the Bidder for the modification is not competitive, the County shall obtain price quotes from all the awarded Bidders for the entire site including the modified portion.

E. Decrease/Increase Service Cycles

1. Decrease: The County has provided the estimated amount of service cycles in Section 4, Bid Submittal Form. If the numbers of cycles are reduced by thirty (30) percent or more, Bidders may request to negotiate prices with the County. If the numbers of cycles are increased back to the original amount listed in Section 4, the original quoted price, plus any applicable CPI increases will be paid subsequently.
2. Increase: If the numbers of cycles are increased by thirty (30) percent or more, the County may request to negotiate prices with the Bidders. If the numbers of cycles are decreased back to the original amount listed in Section 4, the original amount, plus any applicable CPI increases will be paid subsequently.

2.9 COMPLIANCE / REGULATIONS / SAFETY

a. Legal Requirement for Pollution Control

It is the intent of these specifications to comply with the Miami-Dade County Pollution Control Ordinance as stated in Chapter 24 of the Miami-Dade Code. This ordinance is made a part of these specifications by reference and may be obtained, if necessary, by the Bidder through Regulatory and Economic Resources, 33 SW 2nd Avenue, Miami, Florida 33130, Telephone (305) 372-6789.

b. Accident Prevention, Barricades and Safety

Precautions shall be exercised at all times for the protection of persons and property. All Bidders performing services under this contract shall conform to all relevant OSHA, EPA, State and County regulations during the course of such effort. Any fines levied by the above mentioned authorities for failure to comply with these requirements shall be borne solely by the responsible Bidder. Barricades shall be provided by the Bidder when work is performed in areas traversed by persons, or when deemed necessary by the County.

Bidder agrees to perform all work in a manner that meets all accepted standards for safe practice, and to safely maintain and operate all the equipment used in the performance of this contract. Bidder's employees shall wear a safety vest or bright orange tee shirts at all times while performing the service cycle. The County, reserves the right to issue immediate restrain or cease and desist to a Bidder, when unsafe or harmful acts are observed or reported while performing under the contract. Hazardous conditions shall be immediately reported to the County.

c. Maintenance of Traffic (MOT)

The applicable portions of the Public Works Manual, Part I, as it pertains to the maintenance of traffic, and the "Manual on Uniform Traffic Control Devices for Streets and Highways" (MUTCD) and subsequent revisions and addenda, as published by the U.S. Department of Transportation, Federal Highway Administration shall apply.

Bidders shall install and maintain from beginning to end of the maintenance operation, warning signs and/or any other warning and safety devices advising motorists of work being done in the area. All signs shall be temporary and must be removed at the end of the work operation, or at the end of the day whichever comes first.

d. Vehicles and Equipment

The Bidder's vehicles and equipment shall be in proper working conditions, free from leaking fluids. All equipment shall include all safety devices, properly installed and maintained. If the County determines that the equipment is deficient in safety devices, the Bidder will be notified immediately. The Bidder shall remove the deficient equipment from services and replace it with working equipment.

Bidder's trailers shall be identified with the company name on both sides or on the back of the vehicle, which must be legible at a minimum of fifty (50) feet away during daylight hours. Company name and graphics shall be uniform in design and color on all vehicles and trailers. In addition, the Bidder shall place two magnetic signs on both sides of the vehicle that read "Miami-Dade Parks, Recreation, Open Spaces" while working on the awarded site. The Right-of-Way Aesthetic and Assets Management Division will supply the magnetic signs. No work shall commence until the two magnetic signs are secured in place on the vehicle. Any lost or stolen signs will be replaced at the Bidder's cost. No other signs will be placed on the vehicle, facility or equipment.

e. Identification and Uniform

All personnel performing services under this contract must carry valid government issued photo identification such as a driver's license. All personnel shall wear a uniform shirt (or t-shirt) clearly displaying the Bidder's company name. Uniforms shall be maintained so all personnel are neat, clean and professional in appearance. Non-uniform clothing will not be permitted.

Failure to comply with any of these requirements will result in immediate suspension of work, without additional time being added to the cycle, and reduction fees may apply until reason for suspension has been corrected. The Bidders must then notify the County representative of correction and call for re-inspection. This policy will be in effect until the Bidder is advised to resume work.

SECTION 3: SCOPE OF SERVICES

3.1 KICK OFF MEETING

After award of this RFQ, a kick off meeting will be held with the awarded Bidder and members of PROS/RAAM Division to discuss schedule and the scope of services.

3.2 SCHEDULING, SERVICE CYCLE AND FREQUENCY

The County will provide the Bidders with a schedule indicating start and end date of each service cycle and the order in which sites will be serviced. These schedules will identify the designated mowing days, and deficiency and inspection days in each cycle. This schedule is tentative and may be adjusted as needed. The County will also provide the Bidders with a list of all areas within the ISD properties to be included per cycle.

Bidders shall furnish all labor, material and equipment necessary for satisfactory contract performance. Bidder shall perform twelve (12) service cycles per year, or otherwise indicated in Section 4, Bid Submittal. Bidders shall accomplish all tasks during daylight hours from Monday to Friday. The service cycle shall be performed in a continuous manner and fully completed as indicated in the Bidder' schedule. Bidder conduct the work in a manner, which shall not interfere with normal pedestrian traffic or adjacent sidewalks or vehicular traffic on adjacent streets, and shall not cause any annoyance to residents near the sites or users of the sites.

For service cycles which are delayed, the established County schedule shall prevail for subsequent service cycles. On instances where the Bidder falls behind schedule, the Bidder may, after receiving prior approval from the County, extend the work hours, work on weekends or holidays, bring additional staff and equipment, or a combination thereof in order to return to the established schedule at no additional cost to the County.

If any changes in the schedule are required by the Bidder, they shall be submitted to the County in writing prior to the start of the service cycle for approval. The County will provide the Bidder the approved change of schedule five (5) working days prior to the start of the service cycle. If any changes submitted by the Bidder be not approved, the established schedule shall prevail.

Cancellation and changes due to inclement weather (i.e. stopping work and releasing employees for the day or not working at all due to unsafe conditions) shall be reported to the County as promptly as possible. Bidders may submit a written request for additional time to complete the scheduled work. If any changes submitted by the Bidder be not approved, the established schedule shall prevail.

3.3 GROUNDS MAINTENANCE TASKS

The Bidder shall performer the tasks listed below during each service cycle to all overgrown vegetation within the properties boundaries including, but not limiting to the empty fields, pavements edges, walkways, roadways, curb and gutter, ditches, fences, right-of-ways, etc.

a. Turf Mowing

Remove all leaves and clean yard trash from turf area before mowing. All mower blades shall be sharp enough to cut, rather than tear grass blades. Mowing shall not be performed when the weather would cause damage to the turf. Mowing shall be at four (4) inches. Height measurement shall be from level grade with the blade surface parallel and level to the ground. Mowing shall produce an overall smooth and even surface appearance without scalping or leaving any uncut grass. Mowing shall be performed carefully so as not to damage any plant / landscape material, pavement or other property. Bush hog or farm tractor types of equipment shall not be utilized unless approved by the County.

b. Turf Trimming

Turf shall be trimmed around all obstructions to be uniformed with surrounding turf. Trimming may be accomplished by hand power shears or rotary nylon "fish line" cutting machines. Turf shall be trimmed

at the same height as the adjacent turf mowed. Trim around all obstacles and vertical surfaces including, but not limited to, poles, control boxes, fences, curbs, buildings, walls, electric boxes, irrigations head, uneven or jagged edged pavement or other objects as required.

c. Turf Edging

All edging shall be done using mechanical edger. The services shall be neat, uniform with vertical lines at all grass abutting all horizontal and vertical hard surfaces, valve boxes, drains, rock/brick beds and various objects in grass areas, as well as at shrubs, ground cover beds, hedges, trees, palms or other objects as required by the County. Rotary nylon (weed eaters or fish line) cutters are not to be used for vertical edging.

Turf shall be edged approximately eighteen inches (18") inches around all trees that are in lawn areas and ten inches (10") out from the drip line of ground cover, flower beds, shrubs and hedges. When edging bed lines, straight lines shall be true, even and uniforms straight lines and curved lines shall be true, even and uniform curved lines. Edging shall be performed carefully as not to intrude into any plant beds, landscape material or damage the irrigation system, landscape lighting, pavement or any other property.

d. Pruning and Trimming (Trees and Palms)

Maintenance of trees and palms shall consist mainly of trimming existing trees to a controlled size and form that is both typical to the tree's natural growing appearance for its species, and at the same time maintaining tree trimmed to a size and form that will not obstruct motorist's visibility of traffic signs, of other vehicles and that will not interfere with street lights or pedestrian walkways. All trees regardless of height that have died, blown over, or knocked over are to be reported immediately upon discovery to the County.

All trees and palms including once that encroaching from private properties in the right of way shall be pruned to provide a minimum under-clearance of ten (10') feet over sidewalks, or in the case of smaller trees and palms, to the maximum under clearance possible according to the species and size of the tree, and up to sixteen feet (16') over roadways. Pruning of trees and palms shall consist of the removal of dead and/or broken branches, suckers and sprouts, and pruning to prevent encroachment of branches over streets, into private property, obscuring view of signs or interference with lighting, walls and stairwells. When pruning immature trees and palms, the Bidder shall use the temporary branch method by pruning branches as far from the trunk as possible while establishing safe clearance.

All trimming and pruning shall be done in accordance with the American National Standards Institute ANSI A300 Standards as described in Tree Pruning Guidelines published by the International Society of Arborist (ISA). For more information link to www.isa-arbor.com/.

e. Weed and Vine Removal

All landscape and turf areas, plant material, wall, fences, hard surfaces and County structure will be weed and vine free.

f. Clean-up

All unusable materials and trash shall be removed from the work site at the end of each workday, and disposed of in an appropriate legal manner off County property. Upon completion of the work, the Bidder shall thoroughly clean up all area affected by the work performed that day. Bidders are to use racks, brooms, leaf blowers or vacuums selectively to collect the trash as specified by the County for identified sites. No leaves or trash resulting from the performance of the services are to be blown unto vehicles. Broom clean or vacuum all hard surfaces.

g. Clean Yard Trash Pickup and Disposal

All landscape, and turf area and hard surfaces shall be maintained free of clean yard trash. No stock piling of collected clean yard trash shall be allowed on County property. The County will not supply an area or facilities for handling, storage or disposal of such. No additional payment will be made for travel time to and from a site, or to the disposal site, as well as any tipping fees for disposal.

3.4 **BULKY WASTE**

All light and heavy bulky to include, but no limited to scrap metal, scrap lumber, abandoned equipment such as refrigerators or stove, couches, auto bodies, bicycles, etc., found within right-of-way and/or properties are to be stock/piled at a specific location as directed by the County representative. Tires are to be piled separately.

3.6 **INSPECTIONS / DEFICIENCIES**

The awarded Bidder is responsible for all supervision of his employees and for establishing a quality control program that will ensure that all work is completed according to the specifications before that work is submitted to the County for inspection. Any delays, costs, or rejected work that results from the Bidder submitting work that is in any way incomplete or unsatisfactory are the sole responsibility of the Bidder.

The County shall perform inspections to insure that the work has been completed conforming to the requirements specified in this RFQ.

a. Inspections shall occur in the following order:

1. The awarded Bidder shall notify the County in writing no later than the end of close of business day of the completion of all areas serviced for each property and the areas being worked on that next day. This information is required on the Performance Report. The County will provide a sample of the Performance Report form to the awarded Bidders.
2. The County will inspect all areas reported as complete by the Bidder within two (2) business days after receipt of the Performance Report. Sites completed on Friday will be inspected no later than the following Tuesday.
3. The County will meet with the Bidder at a mutually agreed time to review the inspection reports, if necessary.
4. Should completion of work be approved for the sites inspected, the County shall authorize payment for that are.

b. Should deficiencies be found:

1. If determined by the County, upon notification, the Bidder's representative shall visit each of those sites with the County to discuss corrective action.
2. The Bidder shall correct the deficiencies within two (2) business days after such deficiencies are reported, or prior to the start of the next schedule service cycle, whichever occurs first. The Bidder shall bear all cost of correcting such deficiencies.
3. The Bidder shall notify the County in writing no later than the end of business day after the deficiencies have been corrected. The Bidder shall re-submit the sites for inspection.
4. The County will inspect another random selection of the site(s) submitted to ensure compliance with the identified deficiencies by following the steps outlined under a.2 through 4.
5. If the re-inspection of the site reveals that the deficiencies have not been corrected, the County will charge the Bidder a re-inspection fee of fifty (\$50.00) dollars which will be deducted from the payments owed to the Bidder. The County will commence charging the fifty (\$50.00) dollar re-inspection fee on the first re-inspection and will continue said reduction fee for every re-inspection until the deficiencies have been corrected. In the event the deficiencies have not been corrected by the time of the start of the next cycle, all sites submitted that day will be deducted from that cycle's payment.

c. If deficiencies are found, on an ongoing basis, the County may, at its discretion:

1. Place the Bidder on probation.
2. Notify the Bidder, that the Bidder is subject to contractual default.

3.5 **ONE TIME CLEAN-UP TASKS AND PROCEDURES**

Bidder shall preform all tasks listed in Section 3.3 a through g. A work order will be established by the County to facilitate inspection and to monitor all work performed. Bidder shall start the work within five (5)

calendar days after receipt of work order and shall be completed no later than thirty (30) days after the start date.

The Bidder shall perform all tasks in a professional method without interruptions until all work is completed. In the event of work stoppages due mechanical breakdowns and/or adverse weather conditions, should be noted on the work order provided. Bidder shall immediately notify the County of any delays upon discovery, so that a revised completion date at the closing of the work order can be established by the County. No extensions shall be granted unless it is pre-approved by the County.

The awarded Bidder shall provide the County a schedule for each workday. During the clean-up stage, daily communication with the County's representative is required. The Bidder shall notify the County in writing no later than 7:30 a.m. of the completion of all areas serviced for each property on the previous day and the areas being worked on that day. During the daily communications, the bidder may request guidance on any special problems such as the inability to successfully clear any area or may receive special instructions by the County.

The County may verbally cancel or issue a stop order on the work order at any time. The Bidder shall notify their crew within one (1) hour to cease work. Written confirmation of the cancellation of the work order will be forwarded to the Bidder within twenty-four (24) hours of the verbal notification via fax or email.
