In the event that a Proposer wishes to take an exception to any of the terms of this Solicitation, the Proposer shall clearly indicate the exception in its proposal. No exception shall be taken where the Solicitation specifically states that exceptions may not be taken. Further, no exception shall be allowed that, in the County’s sole discretion, constitutes a material deviation from the requirements of the Solicitation. Proposals taking such exceptions may, in the County’s sole discretion, be deemed nonresponsive. The County reserves the right to request and evaluate additional information from any respondent regarding respondent’s responsibility after the submission deadline as the County deems necessary.

The submittal of a proposal by a Proposer will be considered a good faith commitment by the Proposer to negotiate a contract with the County in substantially similar terms to the proposal offered and, if successful in the process set forth in this Solicitation and subject to its conditions, to enter into a contract substantially in the terms herein. In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the proposal as protected or confidential, the County may, in its sole discretion, either (a) communicate with the Proposer in writing in an effort to obtain the Proposer’s written withdrawal of the confidentiality restriction or (b) endeavor to redact and return that information to the Proposer as quickly as possible, and if appropriate, evaluate the balance of the proposal. Under no circumstances shall the County request the withdrawal of the confidentiality restriction if such communication would in the County’s sole discretion give to such Proposer a competitive advantage over other proposers. The redaction or return of information pursuant to this clause may render a proposal non-responsive.

Any Proposer who, at the time of proposal submission, is involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law or any state insolvency law, may be found non-responsible. - oral communications at pre-proposal conferences and oral presentations before Review Team during any duly noticed public meeting, public presentations made to the Board of County Commissioners during any duly noticed public meeting;
- recorded contract negotiations and contract negotiation strategy sessions, or
- communications in writing at any time with any county employees, official or member of the Board of County Commissioners unless specifically prohibited by the applicable RFP documents.

When the Cone of Silence is in effect, all potential vendors, service providers, bidders, lobbyists and consultants shall file a copy of any written correspondence concerning the particular RFP with the Clerk of the Board, which shall be made available to any person upon request. The County shall respond in writing (if County deems a response necessary) and file a copy with the Clerk of the Board, which shall be made available to any person upon request. Written communications may be in the form of e-mail, with a copy to the Clerk of the Board at clerkbcc@miamidade.gov.

All requirements of the Core of Silence policies are applicable to this Solicitation and must be adhered to. Pursuant to Paragraph 2(e) of Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal for a contract to provide any goods or services to a public entity; may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work; may not submit proposals on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and, may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

1.7 Lobbyist Contingency Fees

a) In accordance with Section 2-11.1(s) of the Code of Miami-Dade County, after May, 16, 2003, no person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.

b) A contingency fee is a fee, bonus, commission or non-monetary benefit as compensation which is dependent on or in any way contingent upon the passage, defeat, or modification of: 1) any ordinance, resolution, action or decision of the County Commission; 2) any action, decision or recommendation of the County Mayor or any County board or committee; or 3) any action, decision or recommendation of any County personnel during the time period of the entire decision-making process regarding such action, decision or recommendation which foreseeably will be heard or reviewed by the County Commission or a County board or committee.

1.8 Collusion

In accordance with Section 2-8.1.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. The foregoing presumption may be rebutted by the presentation of evidence as to the extent of ownership, control and
management of such related parties in preparation and submittal of such proposals. Related parties shall mean Proposer or the principals thereof which have a direct or indirect ownership interest in another Proposer for the same contract or in which a parent company or the principals thereof of one Proposer have a direct or indirect ownership interest in another Proposer for the same contract. Proposals found to be collusive shall be rejected. Proposers who have been found to have engaged in collusion may be considered non-responsible, and may be suspended or debarred, and any contract resulting from collusive bidding may be terminated for default.

1.9 Expedited Purchasing Program
Pursuant to Ordinance 07-49, the County has created a pilot program for expedited purchasing, subject to terms and conditions as outlined in Section 2-8.1.6 of the Code of Miami-Dade County. The program shall be referred to as the Expedited Purchasing Program (EPP). Due to the expedited nature of County projects issued under the EPP, participating vendors should anticipate a shortened solicitation timeline for responding. Technical, professional and legal staff may be used to determine best value as set forth in the solicitation documents without the need to utilize the formal Review Team process established by the County. The County Mayor’s or designee’s written recommendation to award a contract under the EPP shall be sufficient to commence the bid protest period and terminate the Cone of Silence. Any legislation contrary to the provisions of the EPP shall be deemed suspended or amended as necessary to give effect to the intent of this ordinance during its effective term.

2.0 Scope of Services

2.1 Background
Miami-Dade County, as represented by the Miami-Dade County Animal Services Department, is soliciting proposals for concessions for the sale of Food, Beverage, and Animal Supplies at two locations within the Animal Shelter located at 3599 NW 79 Avenue, Doral, FL 33166.

2.1.1 Animal Services Department
Animal Services is focused on providing care for the County’s animal population while enforcing Chapter 5 of the Code of Miami-Dade County and Florida Statute 828. Each year, Animal Services typically impounds between 27,000 to 30,000 dogs and cats with the goal of reuniting lost pets with their owners, finding new life-long homes for as many animals as possible, while providing proper care to all animals during their stay. Animal Services receives approximately 38 percent of its budget from the County’s General Operating Fund, while the remaining 62 percent is derived through dog license tag sales, shelter fees, enforcement fines, private grants, and donations. Animal Services also provides services to the public such as: adoptions, animal traps, humane euthanasia, microchips, vaccinations, licenses, spay & neuter, pet surrender, and transfer of ownership.

Animal Services operating hours are 10:00am-7:00pm Monday through Saturday and 11:00am-5:00pm on Sundays to facilitate the needs of approximately 300,000 patrons per year. Animal Services has approximately 230 total employees (County and temporary staff) not including volunteers.

2.1.2 Animal Services Shelter
In October 2014 the County broke ground at 3599 NW 79 Avenue in Doral, FL to begin construction of the new animal shelter facility. Construction is well underway and is scheduled for completion in June 2016. Miami-Dade County’s new animal shelter is a major milestone in accomplishing Animal Services’ goal to save the lives of homeless pets in the Miami-Dade County community. The total site area occupies 5.04 acres and includes a renovated 70,000 square foot building which doubles the size of the current shelter. The design of the new facility is a model of best practices in animal housing and prioritizes the adoption of shelter pets. The new facility will offer a comfortable environment for homeless pets, those who care for them, and the people looking to adopt a dog or cat. A few of the shelter’s special features include: air-conditioned kennels; several outdoor canine exercise and play areas; and a free roaming room for cats to play in, and a community room for public meetings and events. The new animal shelter will offer the ability to expand spay and neuter services which are a critical step in reaching Animal Services’ goal of a no kill shelter.
2.1.3 County Provided Locations, Utilities, and Envisioned Use
The County is providing two locations for selected Proposer to provide services. Locations provided are blank floor space with no walls or storage space. Location 1 is centrally located in the front lobby where a majority of foot traffic is located. The lobby is mainly used for sign in for meetings, processing adoptions, events, and training registration, volunteer and foster check in, as well as the main area for anyone seeking general information of department services. Animal Services envisions a Kiosk/Cart utilizing approximately 200-500 square feet of floor space to provide Animal Supplies, Food, and Beverages to patrons of the Animal Shelter.

Location 2 is located in the rear of the new Animal Shelter where the public animal clinic is located. The public animal clinic has a separate entrance and is utilized for vaccinations, spay/neuter appointments and pet license purchase. Adjacent to the clinic entrance is the Code Compliance Office, with its separate entry point, where constituents visit to pay or resolve code violations. Animal Services envisions a Kiosk/Cart utilizing approximately 200 square feet of floor space to provide Beverages to patrons of the Animal Shelter.

The County will provide to selected Proposer necessary utilities (such as water, electricity, and Internet) and in its sole discretion, the County may choose to incur costs to establish access to those needed utilities, and provide building security as needed. Should a Proposer need other utilities that may not be available in the anticipated concession areas, the County, in its sole discretion, may choose to incur costs to establish access to those needed utilities.

2.2 Services to be Provided
The selected Proposer shall:

2.2.1 Provide an operation that will be safe, customer oriented with prompt service, complaint resolution, effective employee performance, training, and timely initiation and completion of all work.

2.2.2 Furnish good, prompt, and efficient service, adequate to meet all reasonable demands, including establishing a minimum schedule for hours of operation during Animal Services operating hours, subject to approval by the Department.

2.2.3 Provide a variety of Animal Supplies, Food, and Beverages for sale to Animal Shelter patrons.

2.2.4 Mandate that all employees will be distinctively uniformed or appropriately attired.

2.2.5 Maintain Kiosk/Cart in good working order and shall use the same in a careful manner and shall at its own cost and expense repair County property or facilities damaged by its operations under the resultant Agreement.

2.2.6 Obtain any and all necessary and required permits and licenses to provide Good and Services, including any required permits and licenses to construct and/or install Kiosk/Cart as required.

2.2.7 Provide all furnishings, fixtures, and equipment necessary for successful operation.

2.2.8 Provide high quality Kiosk/Cart for concession service in designated areas as required.

2.2.9 Promote the shelter through professional signage, employee demeanor, and the quality provision of Animal Supplies, Food, and Beverages with the highest level of service to the public.

2.2.10 Be responsible for the daily upkeep of the Services and Kiosk/Cart. The floors shall be kept free of debris, displays shall be kept stocked and clean, and displays shall be rotated regularly.

2.2.11 Provide equipment to record and process cash and credit card payment transactions.

2.3 Payment of Revenue to the County
It is the intent of Animal Services that the best possible services be provided to the public while generating revenues for the County.

The selected Proposer shall pay a guaranteed monthly fixed fee to the County for the use of the following locations:

a) Location 1: approximately 200-500 square feet
b) Location 2: approximately 200 square feet

In addition to the guaranteed monthly fixed fee proposed, the selected Proposer shall also pay a percentage of gross receipts to the County for the use of the following locations:

Upon completion of the oral presentation(s), the Review Team will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Local Certified Veteran Business Enterprise Preference

"Local Certified Veteran Business Enterprise" or "VBE" is a firm that is (a) a local business pursuant to Section 2-8.5 of the Code of Miami-Dade County and (b) prior to
proposal or bid submittal is certified by the State of Florida Department of Management Services as a veteran business enterprise pursuant to Section 295.187 of the Florida Statutes. A VBE that submits a proposal in response to this solicitation is entitled to receive an additional five percent of the evaluation points scored on the technical portion of such vendor’s proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran’s preference provided in this section and shall be limited to the applicable SBE preference. At the time of proposal submission, the firm must affirm in writing its compliance with the certification requirements of Section 295.187 of the Florida Statutes and submit this affirmation and a copy of the actual certification along with the proposal submittal form.

4.5 Revenue Evaluation
The revenue proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer’s understanding of the County’s needs described in this Solicitation, the Proposer’s assumptions, and the value of the proposed services. The revenue evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and revenue of the contract as may be in the best interest of the County.

4.6 Local Preference
The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses. If, following the completion of final rankings by the Review Team a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Review Team will recommend that a contract be negotiated with said local Proposer.

4.7 Negotiations
The Review Team will evaluate, score and rank proposals, and submit the results of the evaluation to the County Mayor or designee with its recommendation. The County Mayor or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. The County Mayor or designee, at their sole discretion, may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, and/or may request best and final offers. In any event the County engages in negotiations with a single or multiple Proposers and/or requests best and final offers, the discussions may include revenue and conditions attendant to revenue.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor’s or designee’s discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer’s preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.

b) Information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.
4.8 **Contract Award**
Any proposed contract, resulting from this Solicitation, will be submitted to the County Mayor or designee. All Proposers will be notified in writing of the decision of the County Mayor or designee with respect to contract award. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.

4.9 **Rights of Protest:**
