SUB 100 Rev. 6/12
Hi Vivian,

Per our conversation and your request, I just wanted to document the information that I shared regarding the potential value of the referenced contract by group. The contracted services were previously awarded as one contract and since that time the approach for the services has changed and the current contract is being awarded to multiple groups.

At this time, I don’t have any contract spend history that is allocated by group – Inspections, Maintenance & Repairs and Emergencies. The best data that I can offer this time is an “estimated” annual value for the groups:

Group 1 - $225,000  
Group 2 – $23,000  
Group 3 - $55,000

Denis,

The previous analysis of the subject project (RQID1200073) was assigned a “CSBE Set-Aside”; the analysis is being finalized and will probably carry the same recommendation (based on the responses); will apprise you accordingly.

Just a courtesy “heads-up”.
