Requisition /Project Title:

IT Consultant Contract

Description:

In March 2010, the Board of County Commissioners approved the access of State of Florida Contract No. 973-561-010-1 for specific projects identified to be initiated in a 12 month period. Under this contract, the County is bound by the State’s terms and conditions, including the vendors the State selects for award. Additionally, the County is dependent on the State to maintain an active contract in order to receive continuity of services. Delays in the establishment of Contract No. 973-561-010-1 caused the County to be without a contract for IT consulting services resulting in substantial delays in County technology projects and initiatives. In an effort to gain better administrative control over terms and conditions, such as SBE measures and contract length, as well as to allow the participation of additional local vendors, staff established Contract No. 9241-0/15-A to serve as a replacement to the access of Contract No. 973-561-010-1. The establishment of Contract No. 9241-0/15-A also allowed the County to maintain control over the expiration of the contract and to ensure continuity of services.

The award of Contract No. 9241-0/15-A included specifically identified projects for each participating department for a 12 month period. The following year the Board granted allocations under Contract No. 9241-0/15-B for projects that were identified to commence during the following 12 month period. The following year the Board granted allocations under Contract No. 9241-0/15-C for projects that were identified to commence during the following 12 month period. Currently we are requesting that the Board approve a modification to extend the contract for an additional 3 years. All projects moving forward will be associated with Contract No. 9241-0/15-D. In order to maintain the best level of customer service possible while still making a fiscally responsible decision, it is recommended that the award be completed on Contract No. 9241-0/15-D.

2.3 PRE-BID CONFERENCE: INTENTIONALLY OMITTED

2.4 TERM OF CONTRACT: FIVE (5) YEARS
This contract will commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award letter, which is distributed by the County's Department of Procurement Management, Technical Services Division; and contingent upon the completion and submittal of all required bid documents. This contract shall remain in effect for five (5) years; provided that the services rendered by the Bidders during the contract period are satisfactory and that County funding is available as appropriated on an annual basis and upon completion of the expressed and/or implied warranty period.

2.5 OPTION TO RENEW: INTENTIONALLY OMITTED

2.6 METHOD OF AWARD: PRE-QUALIFIED BIDDERS
Award of this contract shall be made to all responsive, responsible Bidders who meet the Pre-qualification criteria defined in Section 3 of this document. As a condition for being included in the pool of pre-qualified vendors, Bidders must complete the Response Form (Section 4.2) and Price List (Section 4.4). These forms contain description of the Pre-qualification criteria and ask specific questions relating to Bidders' history and experience providing services.

---6---
In addition, Bidders wishing to be pre-qualified shall provide references on the appropriate Response Form provided (Section 4.2). The County may contact the referenced firms to obtain information as to competence and ability to perform services as required. If as a result of such inquiries, evidence surfaces that the firm seeking to be pre-qualified has not performed in the past at the level expected in the future by the County, the County at its sole discretion may not offer Bidders an opportunity to be a pool member. A minimum of three references must be provided. The County reserves the right, at any time, to require additional references.

Bidders wishing to be pre-qualified for participation must also complete a Price Sheet (Section 4.4). All Bidders who fail to complete all of the required areas of the Price Sheet will be considered non-responsive. Awarded Bidders will be permitted to submit an updated Price Sheet (Section 4.4) during the term of the contract to allow for the addition or removal of Job Titles and Job Descriptions as the capabilities of Awarded Bidders change. Updated Price Sheets (Section 4.4) must be provided via email to the County Contact person identified in Section 2.20.

Awarded Bidders shall be pre-qualified to participate in future spot market competitions as required by the County on an as needed basis. When such a need for services is identified, the requesting County department will develop a Request for Quotation (RFQ) or Request for Resume (RFR) which shall include a detailed scope that will specify all relevant facts related to specific requirements for the services that are required. Awarded Bidders shall be invited to offer a fixed hourly rate not to exceed the Bid Ceiling Rate established in the Price Sheet (Section 4.4) for any given Job Title and Job Description for the specific IT consultant services identified in the RFQ or RFR scope.

In the case of RFQ, the Bidder offering the lowest responsive, responsible proposal based on the specifications provided in the RFQ scope will be selected. The County’s decision as to what constitutes a responsive, responsible quote shall be final.

Pre-qualified Bidders are required to submit a bona fide proposal in response to RFQ’s issued by the County. When less than three bona fide responses to a RFQ are received, the County, at its option may reject the responses and issue a new RFQ, use another procurement instrument to acquire the services, or seek to negotiate the prices with the Bidder offering the lowest or only price as a result of the solicitation.

In the case of a RFR, the request will be sent by e-mail or fax to those Bidders pre-qualified for performing the services identified by the user department in the RFR scope. The Bidders that can fulfill the personnel work order will submit their responses within 5 business days electronically via e-mail or method specified in the RFR. Bidders are to submit the resumes of all qualified personnel based on the information outlined in the RFR and all applicable documentation. Bidders’ responses, at a minimum, will contain the proposed individual’s social security number, employment firms and dates employed with each firm and skills.

The County will then select the best-qualified individuals based on a review of all submitted resumes. The individuals whose resumes closely match the Job Title and Job Description/skills required for the work order will be scheduled for an interview that will either

SPECIAL CONDITIONS

INFORMATION TECHNOLOGY CONSULTANT SERVICES PRE-QUALIFICATION POOL

take place over the phone or in person with the using department. The final determination of
the selected candidate shall be in the discretion of the using department or designee.

If, in the County's opinion, an insufficient number and/or quality of resumes are received by
the required date to satisfy a request, the County, at its option, may initiate a new RFR
process until the position is filled satisfactorily. Should the selected candidate not fulfill the
job duties as outlined in the request to the satisfaction of the user department, the user
department reserves the right to terminate that employee. The user department or designee
then has the right to either go back to the list of candidates received in response to their
RFR, or process a new one.

Selected Bidders are expected to have contacted potential employees and have all
employment variables (salary, relocation expenses, etc.) negotiated with them prior to the
RFR submission to the County for consideration.

Prices included in response to the County's RFQ or RFR must be held fixed for a period of
no less than 60 calendar days, to allow time to award the project. If the project is not
awarded within 60 calendar days, the County will allow the apparent lowest Bidder the
opportunity to extend such prices for another 30 calendar day period. If the Bidder is unable
to extend such prices, then the County shall issue a new RFQ or RFR for the same project.

Failure to respond to three or more RFQ's for which the vendor has been pre-qualified,
within a twelve-month period may result in the vendor being removed from the pre-qualified
pool.

The Bidder offering the lowest fixed price, and/or meeting the minimum specifications
provided by the County during the RFQ or RFR process will be awarded the work, and shall
be issued a County Purchase Order (PO) based on stated requirements outline in the RFQ
or RFR scope. The award of a single PO to one Bidder for a specific stated requirement
does not preclude the ability of the remaining pre-qualified vendors from submitting offers for
other specific future identified requirements.

In the case of urgent requirements under $5000, with the potential to negatively affect
critical County operations, purchases may be based upon the immediate availability of
required services.

2.7 PRICES

As part of the bid submission, Bidders are required to provide the hourly rates for the
positions offered. This pricing will establish a Bid Ceiling Rate that may be further negotiated
by the user departments during an RFQ or RFR process. If Bidders are approved as a pre-
qualified vendor under this solicitation, the prices offered by the Bidders during the RFC or
RFR process shall not exceed those provided for each Job Title and Job Description that the
Bidder provided in their Bid Submittal Price Sheet (Section 4.4). The Bid Ceiling Rates
established in the Price Sheet (Section 4.4) will be evaluated by the County an annual basis.
The County may, at its sole discretion, request revisions to the Bid Ceiling Rate.

This amount shall not exceed the Bid Ceiling Rate established in the Price Sheet for any given Job Title and Job Description. Liquidated damages shall be assessed for each and every calendar day the work remains incomplete and/or insufficient. At the County's sole option, liquidated damages may be assessed in half-day (4 hour) increments. As compensation due to the County for loss of use and for additional costs incurred by the County due to such non-completion of work, the County shall have the right to deduct the said liquidated damages from any amount due, or that may become due to Bidders under this agreement, or to invoice Bidders for such damages if the costs incurred exceed the amount due to the Bidder.

2.11 INDEMNIFICATION AND INSURANCE

2.22 PROJECT AWARD NOTICE AND COMPLETION OF WORK

Project awards will be communicated to successful Bidders by means of a County contract release PO, as outlined in Section 2.6. The completion date and associated parameters will be specified in the individual RFG or RFR.

All work shall be performed in accordance with the scope of work outlined in the individual RFQ or RFR. Bidders shall at all times during the Contract term remain responsive and responsible. Bidders must be prepared, if requested by the County, to present evidence of, including but not limited to the following: experience, ability, and financial standing. If the County determines that the conditions of the solicitation documents are not complied with, or that the service proposed to be furnished does not meet the specified requirements, or that the
qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the County may reject the response or terminate the Contract. Bidders may be disqualified from receiving awards if Bidders, or anyone in Bidders’ employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the County to make an investigation either before or after award of the Contract, but should the County elect to do so, Bidders are not relieved from fulfilling all Contract requirements.

Offers will be considered only from firms which are regularly engaged in the business of providing and/or performing the services as described in the solicitation, and who can produce evidence that they have a satisfactory record of performance for a reasonable period of time.
