shall have the primary responsibility to initially perform the service or deliver the goods identified in this contract. During the term of the contract, the County may also make award to the third lowest vendor as tertiary if the primary and secondary vendors do not perform.

Award to multiple vendors is made for the convenience of the County and does not exempt the primary vendor from fulfilling its contractual obligations. Failure of any vendor to perform in accordance with the terms and conditions of the contract may result in the vendor(s) being deemed in breach of contract. The County may terminate the contract for default and charge the vendor re-procurement costs, if applicable.

For any adjustment to commence on the anniversary, the vendor’s request for adjustment should be submitted 90 days prior to expiration of the then current contract term. The vendor’s adjustment request should not be in excess of the relevant pricing index change.

If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the next term will remain at the current price. Any adjustment request received after the commencement of a new year may not be considered.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not continue the contract based on such price adjustments. Continuation of the contract beyond the initial term, and any anniversary term, is a County prerogative, and not a right of the vendors. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

The County reserves the right to extend this contract for up to one hundred-eighty (180) calendar days beyond the current contract term and will notify the vendors in writing of the extension.
