1.1 METHOD OF AWARD To Primary and Secondary Vendors by Group

Award of this invitation to quote will be made to (2) responsive, responsible vendors who submit an offer on all items listed and whose offer represents the lowest price when all items are added in the aggregate. While the method of award prescribes the method for determining the lowest responsive, responsible vendor, the County will to the designated lowest vendor as the primary vendor and will award this invitation to quote to the designated second lowest vendor as the secondary vendor respectively. If the County exercises this right, the primary vendor shall have the primary responsibility to initially perform the service or deliver the goods identified in this contract. If the primary vendor fails to perform it may be terminated for default and the County shall have the option to seek the identified goods or services from the secondary vendor. During the term of the contract, the County may also make award to the third lowest vendor as tertiary if the primary and secondary vendors do not perform.

Award to multiple vendors is made for the convenience of the County and does not exempt the primary vendor from fulfilling its contractual obligations. Failure of any vendor to perform in accordance with the terms and conditions of the contract may result in the vendor being deemed in breach of contract. The County may terminate the contract for default and charge the vendor re-procurement costs, if applicable.

1.2 TERM OF CONTRACT: TWELVE (12) MONTHS

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County’s Department of Procurement Management, Purchasing Division; and contingent upon the completion and submittal of all required bid documents. The contract shall expire on the last day of the twelve month period.
1.3 OPTION TO RENEW FOR TWO (2) ADDITIONAL YEAR(S) (With Price Adjustments)

The initial contract prices resultant from this solicitation shall prevail for a one (1) year(s) period from the contract’s initial effective date. Prior to, or upon completion, of that initial term, the County shall have the option to renew this contract for an additional two (2) year(s) period on a year-to-year basis.

Prior to completion of each exercised contract term, the County may consider an adjustment to price based on changes in the following pricing index: Consumer Price Index (CPI), All Urban Consumers, All Items, Miami-Fort Lauderdale Area.

It is the vendor’s responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor’s request for adjustment should be submitted 90 days prior to expiration of the then current contract term. The vendor adjustment request should not be in excess of the relevant pricing index change. If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered.

The County reserves the right to negotiate lower pricing for the additional term(s) based on market research information or other factors that influence price. The County reserves the right to apply any reduction in pricing for the additional term(s) based on the downward movement of the applicable index.

The County reserves the right to reject any price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

Should the vendor decline the County’s right to exercise the option period, the County may consider the vendor in default which decision may effect that vendor’s eligibility for future contracts.

1.4 PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT

If the vendor is awarded a contract under this solicitation, the prices proposed by the vendor shall remain fixed and firm during the term of contract.
