TERMS AND CONDITIONS:

1. Miami-Dade County is exempt from certain taxes. No taxes shall be included unless otherwise specified, by the County, on the Invitation to Quote Form.

Where the bidder quotes an equal product, the bidder must include the manufacturer, model, description, and any other information necessary for the County to make an evaluation. The Inspector General (IG) has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. The Inspector General may, on a random basis, perform audits on all County contracts. The cost of random audits shall be incorporated into the contract price of all contracts and shall be one quarter (1/4) of one (1) percent of the contract price, except as otherwise provided in Section 2-1076 of the County Code. Federal Funds may be used by the County to pay for goods and/or services under this contract; hence, the IG fee will not be deducted by the County for such purchases. However, the County reserves the right to conduct reviews at any time.
LEGAL REQUIREMENTS:

1. Administrative Order 3-38
   Bidders are advised that this contract is subject to all legal requirements contained in the County's Administrative Order 3-38 and all other applicable County Ordinances and/or State and Federal Statutes. Where conflicts exist between this bid solicitation and these legal requirements, the higher authority shall prevail.

2. County User Access Program (UAP) USER ACCESS FEE
   Pursuant to Miami-Dade County Budget Ordinance No. 03-192, this contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this contract, or any contract resulting from this solicitation and the utilization of the County contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

   The vendor providing goods or services under this contract shall invoice the contract price and shall accept as payment thereof the contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Vendor participation in this invoice reduction portion of the UAP is mandatory.

JOINT PURCHASE

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive Miami-Dade County contract pricing and terms and conditions. The County will provide to approved entities a UAP Participant Validation Number. The vendor must obtain the participation number from the entity prior to filling any order placed pursuant to this section. Vendor participation in this joint purchase portion of the UAP, however, is voluntary. The vendor shall notify the ordering entity, in writing, within three (3) workdays of receipt of an order, of a decision to decline the order.

For all ordering entities located outside the geographical boundaries of Miami-Dade County, the successful vendor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

Miami-Dade County shall have no liability to the vendor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the vendor and shall be paid by the ordering entity less the 2% UAP.
