Bidders to complete, supplement or supply the required documents during the evaluation period.

2.5 PRICES

The initial contract prices resultant from this solicitation shall remain fixed and firm for less than 12 month from the award date. Bidders may request a price adjustment ninety (90) days prior to the completion of the first year of the contract term. It is the Bidder’s responsibility to request any pricing adjustment under this provision. The County may consider an adjustment to prices based on the Consumer Price Index (CPI) percentage change as calculated by the US Department of Commerce for all Urban Consumers in the Miami-Ft. Lauderdale area. This adjustment shall not exceed the most current Living Wage adjustment as published by the Small Business Development Division of the Department of Regulatory and Economic Resources.

2.6 EXAMINATION OF SITES

It is highly recommended that Bidders attend the pre-arranged visits to review the current conditions of the site(s). The ‘cone of silence’ is lifted during the sites visit(s) to allow for any questions to be addressed with representatives from Miami-Dade County. Bidders should arrive promptly to ensure that all attendees have sufficient time to inspect the sites. Please note that a fifteen (15) minute grace period will be allowed before the site visit begins. Bidders shall bring a copy of the Invitation to Bid to the site visit. The meeting will take place at the lobby Stephen P. Clark Center (SPCC) 111 NW 1st Street.

Bidders should be thoroughly aware regarding any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. No additional allowances will be made because of lack of knowledge of these conditions.

2.7 WARRANTY REQUIREMENTS

A. Deficiencies

Bidders shall correct all deficiencies, listed in the inspection report, before the start of the next service cycle. The deficiencies can only be corrected between Saturday 7:00 am and ending Mondays at 10:00 am. Bidders shall notify the County once the deficiencies are corrected in order to inspect the sites. The Bidder shall bear all costs of correcting such rejected work. If the Bidder fails to correct the work within the period specified, the County may, at its discretion, notify the Bidder, that the Bidder is subject to contractual default.

2.8 CONTACT PERSON

For any additional information regarding the terms and conditions of this solicitation and resultant contract, Contact: Lina Bonilla, at (305) 375-2173 or at lbonill@miamidade.gov.

2.9 CHANGES

A. Additional Sites and / or Groups

Although this solicitation and resultant contract identifies specific sites to be serviced, it is hereby agreed and understood that the County may at its option add new sites to the contract. Should the County determine that additional sites need to be added to a group, a
quote shall be obtained from the Bidder servicing that group. If the County determines that the price submitted by the Bidder is not competitive, price quotes will be obtained from all the Bidders awarded the contract. If an additional group needs to be added to the contract, price quotes will be obtained from all awarded Bidders.

B. Enhancement

Should a site be enhanced with additional plant material, price quotes will be obtained for the additional maintenance from the Bidder servicing that group. If the price submitted by the Bidder for the enhancement is not competitive, the County shall obtain price quotes from all the awarded Bidders for the entire site including the enhanced portion.

C. Site Modifications

Should a site increase or decrease in size, price quotes shall be obtained for the modification from the Bidder servicing that site. If the price submitted by the Bidder for the modification is not competitive, the County shall obtain price quotes from all the awarded Bidder for the entire site including the modified portion.

D. Deletion

Sites or groups may be deleted when such services are no longer required during the contract period; upon written notice to the Bidder.

2.10 LABOR, MATERIALS, AND EQUIPMENT

Bidders shall furnish all labor, material and equipment necessary for satisfactory contract performance. Such materials and equipment shall be of a suitable type, in good conditions and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval by the County user department.

2.11 COMPLIANCE / REGULATIONS

A. Legal Requirement for Pollution Control

It is the intent of these specifications to comply with the Miami-Dade County Pollution Control Ordinance as stated in Chapter 24 of the Miami-Dade Code. This ordinance is made a part of these specifications by reference and may be obtained, if necessary, by the Bidder through Permitting, Environment and Regulatory Affairs, 33 SW 2nd Ave., Miami, Florida 33130, Telephone (305) 372-6789.

B. Accident Prevention, Barricades and Safety

Precautions shall be exercised at all times for the protection of persons and property. All Bidders performing services under this contract shall conform to all relevant OSHA, EPA, State and County regulations during the course of such effort. Any fines levied by the above mentioned authorities for failure to comply with these requirements shall be borne solely by the responsible Bidder. Barricades shall be provided by the Bidder when work is performed in areas traversed by persons, or when deemed necessary by the County user department.
SECTION 2
SPECIAL CONDITIONS

Grounds Maintenance

Bidder agrees to perform all work in a manner that meets all accepted standards for safe practice, and to safely maintain and operate all the equipment used in the performance of this contract. The County, reserves the right to issue immediate restrain or cease and desist to a Bidder, when unsafe or harmful acts are observed or reported while performing under the contract. Hazardous conditions shall be immediately reported to the County user department.

2.12 CLEAN UP

All unusable materials shall be removed from the work site at the end of each workday, and disposed of in an appropriate manner. Upon completion of the work, the Bidder shall thoroughly clean up all areas affected by the work performed.

2.13 MIAMI-DADE COUNTY LIVING WAGES

If the total contract value, per term, exceeds $100,000 the provisions of Section 2-8.9 (Living Wages) of the Code of Miami-Dade County (Code) as amended by Ordinance [Governing Legislation], will apply. A copy of this Code Section may be obtained online at www.miamidade.gov. A copy of the Administrative Order may be obtained online at http://www.miamidade.gov/aopdfdoc/aopdf/pdffiles/AO3-30.pdf.
3.1 **SCOPE OF WORK**

The purpose of this Invitation to Bid (ITB) is to establish a contract to purchase scheduled grounds maintenance for Miami-Dade County.

The scope of work consists of: turf mowing, grass trimming, turf edging, ground cover and hedge trimming, maintenance of potted plants and planters, tree and palm pruning and trimming, weed and vine removal, pest and disease inspection, litter pickup, fertilizing, mulching, and repair of existing irrigation sprinkler damaged by the Bidder.

3.2 **SERVICE CYCLE FREQUENCY**

Service cycles shall be performed during a designated service window starting Saturdays at 7:00 am and ending Mondays at 10:00 am on the **first and third weekend of each month** for a total of 26 service cycles per year. This service window is designated with the intent to provide service at times and in a manner that does not conflict with normal and safe operation of the facilities. The County may alter the schedule to accommodate special events, unforeseen activities or due to weather conditions. A variance of this schedule may also be submitted to the County for approval no less than forty-eight hours prior to the schedule day. Cancellations, changes or modifications of any service schedule must be reported in advance to the County for approval prior to it being effective. If not approved, the established County schedule shall prevail.

3.3 **SERVICE CYCLE TASKS**

A. The following tasks shall be performed during each service cycle:

1. **Turf Mowing**
   All mower blades shall be sharp enough to cut, rather than tear grass blades. Mowing shall not be performed when the weather would cause damage to turf. All mowers are to be adjusted to the highest acceptable mowing height for the grass being mowed. The height will vary by species. Mowing shall produce an overall smooth appearance without scalping or leaving any uncut grass. Remove all grass clippings, leaves and debris produced by mowing on the same day as mowed; cut grass shall not remain on any site overnight. These clippings should never be swept or blown into streets or directly into storm drains. Mowing shall be performed carefully without “barking” or damaging the trees, palms or shrubs. Mowing shall not intrude into ground cover beds and decorative rock beds, displace mulch and decorative rock or damage the irrigation system, landscape lighting, pavement or any other property.

2. **Grass Trimming**
   All grass shall be trimmed immediately following mowing. Trim at same height that grass was mowed. String trimmers shall not be used for weed control in beds or within 12 inches of the base of trees, or palms, hedges, groundcovers or vines or as replacement for edgers. Damage to County plant materials (including their surface roots) other than the target weed is unacceptable. String trimmers may be used around posts and other vertical, non-living landscape elements as required by the County.

3. **Edging**
Grounds Maintenance

After mowing, all turf edges including but not limited to sidewalks, flushed paved surfaces, curbs, drives, patios and decks shall be edged. Shrub beds, flower beds, ground cover beds, hedges and around trees shall be edged with a manual or mechanical edger to a neat vertical line. Rotary nylon “fish line or grass trimmer” cutters are not to be used. Turf will be edged at a minimum of 18-24 inches around all trees that are in lawn areas. Turf will be edged approximately 10 inches out from the drip line of shrubs and hedges.

4. Weeds and Vine Control
All areas including lawn, shrub, ground cover beds, potted plants, walkways, curbs, gutters, expansion joint, and fence lines shall be kept free of weeds. Weeds shall be controlled either by hand or chemical method. The County will advise which method is applicable to each area.

The Bidder shall remove all exotic weed trees, with a trunk caliper of up to 4” inches when measured at a height of 4’ feet from the ground as described in Chapter 24 of the Miami-Dade County Code. Information may be obtained at http://library.municode.com/index.aspx?clientid=10620. Utilize a combination of selective and non-selective pre and post emergent herbicides, per label direction, as required to keep the areas described above free of weeds. When chemicals are used to control weeds, use an approved herbicide that will kill the weed roots (The County shall pre-approve any use of herbicides). For additional information link to: www.epa.gov/pesticides and www.freshfromflorida.com/onestop/aea/registration/html.

5. Leaf Removal
Remove all leaves including, but not limited to the turf areas, shrub and ground cover beds, mulch beds, brick and rock beds, waterways, all around vehicles as well as between, in front and under vehicles and all paved areas, sidewalks, and, parking areas, curb and gutters, drainage structures, valve covers and utility slabs.

6. Planters
Service to plants in planters shall include plant rotation, disposal of surplus or damaged materials, manual trimming of leaves and roots when necessary.

7. Pest and Disease Inspection
Bidder shall inspect all plant material during the service cycle for presence of pests and diseases and shall report it to the County.

8. Litter Cleanup and Pick-up
Bidder is responsible for removing and proper disposal of all collected material resulting from the performance of the work on the same day as the service cycle. Blowers will be allowed for collection of debris and not for dispersion of trash. Debris shall not be blown into the street or storm drains. No stock piling of collected material shall be allowed on County property. The County will not supply an area or facilities for handling, storage or disposal of such. No items shall be permitted to be dumped, stored or disposed on site utilizing County dumpsters. No payment will be made for travel time to and from a site or to the disposal sites, as well as for any tipping fees for disposal.

9. Irrigation Inspections and Repairs
SECTION 3
TECHNICAL SPECIFICATIONS

Grounds Maintenance

Before performing each service cycle, the vendor shall notify the County of all damaged irrigation discovered per site. Irrigation damaged by the Bidder while performing the services shall be repaired at no additional cost to the County.

B. The following services shall be performed as indicated in each description:

1. **Shrub, Grass-Like Shrubs, Ground Cover and Hedge Trimming**
   Shrubs, grass-like shrubs, ground cover and hedge trimming is to be performed as needed when determined and scheduled by the County. Some shrubs and ground covers will require hand pruning. The designation of hand pruning shall be at the discretion of the County. Wood chips and ornamental rock shall be considered ground cover.

2. **Tree and Palm Pruning and Trimming**
   All pruning and trimming is to be in proportion to the dimensions of the tree / palm using horticultural sound principles. Pruning and trimming is to be performed as needed to maintain the characteristics of the landscape as determined by the County. Tree branches shall be pruned up to 10 feet over walkways and in areas designated by the County. Tree branches shall be pruned up to 15 feet over roadways. Trees to close to building and other structures shall be trimmed so as to not interfere with windows, screening and fences. All pruning shall be done in accordance with the American National Standards Institute Standard Z-133.1 and the ANSI A300 Standards (each in their current form and as they may be updated at any time) as described in Tree Pruning Guidelines published by the International Society of Arborist (ISA). For more information link to: www.isa-arbor.com/.

3.4 **FERTILIZATION**

A. Turf
   Fertilize two (2) times per year in March and October, or as directed by the County.

B. Shrubs, Ground Cover Flower Beds
   Fertilize three (3) times per year in late February, June and October, or as directed by the County.

C. Palms
   Fertilize four (4) times per year in March, June, September and December, or as directed by the County.

**Bidders shall provide a price for these services in the Bidder’s submittal form.**

D. Product Approval

Fertilizers shall comply with Florida’s Commercial Fertilizer Law, Chapter 576, Florida Statute and Chapter 5E-1, Florida Administrative Code. For more information link to: www.freshfromflorida.com/onestop/aes/fertilizer.html.

3.5 MULCHING

All wood mulch shall be refreshed with a complete new layer of mulch bi-annually, unless otherwise directed by the County in writing. All mulch shall be maintained at a minimum depth of two inches. Avoid “volcano mulch”. The Bidder shall have a maximum of twenty-one (21) days to complete the task from the start date (Bidders may completed this task anytime Monday – Sunday), unless an extension of time is approved by the County. The Bidder shall maintain mulch rings extending approximately eighteen (18”) to sixty (60”) inches from the trunk of trees and palms, depending on their size and surface roots. A 3-inch space should be left between the trunks of plants and the mulch. Maintain a strip extending approximately twelve (12”) to thirty-six (36”) inches, from the outside edge of all hedge, shrub material and ground cover beds apply mulch to a minimum depth of two (2”) inches. Do not mulch strips along decorative rock beds. Use red mulch, melaleuca mulch or cypress mulch product certified by the Mulch and Soil Council. For more information link to: www.mulchandsoilcouncil.org. Evidence of certification shall be provided prior to each application. If mulch is installed improperly, the contractor is responsible for correction, at no additional charge. **Bidders shall provide a price for this service in the Bidder’s submittal form.**

3.6 ADDITIONAL SERVICES

Additional services shall constitute additional frequency of all tasks covered in Section 3. When additional services are required, the successful Bidder for the affected site shall charge the hourly labor rate per person as submitted in the Bidder’s submittal form.

3.8 INSPECTIONS / REPORT FORM

At the end of each service cycle, the Bidders shall notify the County that the sites are ready for inspection. All sites shall be inspected within a maximum of forty-eight (48) hours completion of the service cycle. The site inspections shall be documented on the Inspection Report form. The County will provide the form to the awarded Bidder. The form shall be signed by Building Manager or designee and the vendor’s representative and shall be attached to the invoice

3.9 IDENTIFICATION, UNIFORMS AND SECURITY

All Bidder employees must carry a clearly visible identification badge. This badge shall include the Bidder’s company name, the employees name and a current photograph of the employee. All employees must wear a uniform shirt (or tee shirt) clearly displaying the vendor’s company name. The awarded Bidder must provide, to the County a copy of each employees background check that will be performing work under this contract. All background checks must be attained from the Miami-Dade Police Department. For more information on how to attain the background checks please contact the Records Center at
